

Applying to Medicine, Dentistry or Oxbridge?

Two of the three Vetta books are free. Start with those.

The Pre-Interview Applicant Guide

FREE

From first decision to interview invitation.

The Interview Handbook

THE PAID BOOK

The complete written method for the room.

The Parent Guide

FREE

For the people supporting the applicant.

What the schools actually select on

Grades, admissions tests and interviews are weighted very differently at every school.

How to build a record that earns an invitation

Work experience, reflection and a personal statement in your own voice, not a tutor's.

What really happens in the room

Station types, the questions you will face, and how answers are marked.
