Alarm Detection Systems, Inc.

Offering the very best in commercial and home security for over 54 years

Founded in 1968, Alarm Detection Systems is one of the nation's largest privately owned security companies. We provide state-of-the-art alarm system installation, monitoring, and related testing services. While the technology in the industry has changed, our commitment to offering value and service to customers has not. Alarm Detection Systems has been a trusted member of the communities we serve.

Our Business:

- Employs over 300 people ready to help our customers
- Continues to have a strong family tradition
- Has received multiple awards for its UL Listed/Five Diamond Certified central stations
- Owns and operates a proprietary AES wireless mesh network
- Offers next-day service and repair (including weekends and holidays)
- Utilizes a fleet of over 100 vehicles to conduct day-to-day activities

ADS corporate headquarters has a dedicated central monitoring station, lock shop, camera, fire, and service departments.

We protect thousands of businesses and homes in Colorado, Illinois, Northwest Indiana, and Southern Wisconsin.

You will always reach a live operator when contacting us. In addition, all of our technicians are highly trained and certified.
