pt 2: At His Word

- 1) Ice Breaker – Take some time to share ways you have experienced God at work. The more recent the better. These can include miracles, answered prayers or praise reports.
- 2) Read John 4:46-54.
- 3) The royal official was desperate when he begged Jesus for miraculous healing. What are the situations in your own life where you need God to intervene?
- 4) After Jesus told the official to go, he “took Jesus at his word and departed.” What does this reveal about the official’s view of Jesus? What leads you to this conclusion?
- 5) In the things God calls us to, we sometimes think, “God, if you... then I will.” But in God’s mind, it’s “Child, I will... so you can.” What step of faith do you need to take knowing that God is trustworthy?
- 6) Jesus sometimes says yes to our requests and other times no. But more than giving us all that we want, Jesus wants us to see our deepest need – belief in Him. How can you take steps of faith to deepen your devotion to God in this season of Lent?
- 7) Spend time praying for one another.
