To,
Mr. Jagdish Kadam & Team Rajpath Infracon

Dear Mr. Jagdish Kadam,

I heartily congratulate you on your exemplary achievement of creating 4 Guinness World Records by laying bituminous construction on the Greenfield 6-Lane Access-Controlled National Highway (NH544G) between Bengaluru to Vijayawada by continuous execution in just 148 hours and 50 minutes. It is indeed a magnificent feat!

Your work has been recognized by Guinness Book of World Records once again! Getting recognized numerous times by Guinness Book of World Records is itself a record of sorts. Such records are not possible without an able leadership like yours and a capable team that you have built over time.

Your contribution in developing National Highway Infrastructure in India is highly commendable.

We consider you a part of Cosmos Family and wholeheartedly applaud your grand success.

You are leading a wonderful team, and I wish you & your entire team the very best for all your future endeavours and many more accolades in future.

With warm regards,

Adv. Pralhad Kokare
