## Guarantee

In common with other manufacturers, we find it impractical to give our cricket bats a conventional guarantee. Although we use raw materials of the highest quality both cane and willow are natural materials with unpredictable durability. We are however, concerned with maintaining our reputation for quality and will repair or replace bats which in our opinion, have not given adequate service. We are unable to accept responsibility for bats damaged by misuse (e.g. over oiling, failure to 'play-in' the bat properly, use against cheap cricket balls, etc.)
