Charlotte, NC | (423) 681-8663 ainfantelozano@gmail.com | linkedin | Portfolio

SUMMARY

Designer combining a BA in Graphic Design with technical UX expertise. Specialized in translating complex requirements into elegant, high-fidelity interfaces. Proven ability to own the end-to-end design process, from creating reusable component libraries for AI platforms to refining micro-interactions. Leverages Visual Design and Bilingual skills to create accessible, aesthetically pleasing digital experiences.

SKILLS

Tools: Figma, Figjam, Photoshop, Miro, Notion, Asana
Core Skills: UX Design, User-Centered Design, Prototyping, Wireframing, User Research, Usability Testing, Design Systems, Accessibility, Information Architecture.
Languages: Native Spanish | Fluent English | Learning Italian

WORK EXPERIENCE
(UX/UI DESIGN)

Upwork | Remote *Freelance Ux/UI* | 2020 – Present

- Executed the visual redesign of The Food Truck website and vendor onboarding, modernizing the interface to improve usability.
- Delivered interactive high-fidelity Figma prototypes for web and mobile clients, effectively communicating design intent to stakeholders.

Digiole (EcosystemOS) | Remote *Associate UX/UI Designer* | Dec 2023 – Apr 2024

- Led end-to-end UX/UI design for an AI-powered business planning platform, delivering 60+ screens across web and mobile.
- Designed AI interaction patterns combining guided flows and open user input, improving clarity and user control in complex workflows.
- Built and maintained a scalable component library with 100+ components, adopted by multiple product teams.
- Defined design principles and style guidelines used across the product ecosystem.
- Collaborated closely with developers and stakeholders through weekly design reviews to ensure feasibility and alignment.

Nemetea | Remote *Visual Designer* | Jun 2022 – Feb 2023

- Designed high-impact landing pages, using visual hierarchy and layout strategies to drive user attention to Call-to-Action elements.
- Created multiple design variations (color schemes, layouts) for A/B testing, resulting in a 25% increase in conversion rates.
- Collaborated with cross-functional teams to interpret user behavior data and translate it into improved visual layouts.

Customer Experience & Bilingual Communication (US Market Experience)
Roles held after relocating to the United States

Open House Sales | Philadelphia, PA *Seasonal Sale Associate (Bilingual)* | Sep 2025 – Dec 2025

- Delivered bilingual, customer-focused service in a fast-paced retail environment, adapting communication to diverse user needs.

Learning Express Toys | Chattanooga, TN *Sales Associate* | Apr 2024 – Dec 2024

- Supported customer decision-making through product guidance and maintained visual merchandising standards.

EDUCATION
Bachelor of Arts in Graphic Design | Arturo Michelena University | 2015

Continuous Learning:
- Interaction Design Foundation: AI for Designers, Design for the 21st Century (Don Norman), Agile Methods
- Coderhouse: UX/UI Design, UX Writing, User Research
- Udemy: UX/UI Hybrid Design (Figma to HTML/CSS/JavaScript)
