

MONTE CABALLERO

THE 2026 COLLECTION

ADE WALLY

The Monte Caballero. A study in
quiet craft, where heritage
materials meet the rhythm of the
modern day.

“LEGACY IS NOT INHERITED.
IT IS CRAFTED, STITCH BY STITCH,
STEP BY STEP.”

ADE WALLY

The Monte Caballero is the fullest expression of that belief, our marque’s
most considered creation, shaped for those who move through
the world with intention.

THE CURRENCY OF LEGACY

Polished calf leather, heritage tweed and luxurious suede are brought together
by hand, each material chosen to grow more personal with every wear.

MONTE CABALLERO

A QUIET AUTHORITY

The Monte Caballero has been created for those who carry their success lightly, uncompromising in standard, unhurried in style.

Meticulously crafted from polished calf leather, heritage tweed and luxurious suede, each pair is hand-finished by our master artisans: classic craftsmanship, contemporary sophistication.

An elegant profile. Exceptional comfort. Effortless from business attire to refined casual wear.

Nuances across every detail of
design, artisanship and character
combine in quiet harmony, a new
standard of ease.

THE HERITAGE TWEED

Woven with depth and movement, the herringbone tweed carries deep shades of espresso and walnut. A fabric with memory.

THE POLISHED CALF

A burgundy calf-leather mudguard, polished by hand to a soft lustre, wraps the toe in quiet armour.

THE PERFORMANCE SOLE

A lightweight performance sole in ivory and black grants an elegant profile and exceptional comfort, mile after mile.

Each pair is hand-finished by our master artisans.

A close-up photograph of the side and sole of a burgundy leather shoe. The leather is polished and shows a fine grain. A hand-stitched seam is visible along the edge of the upper. The sole is white with a black rubber outsole that has a textured, tread-like pattern. The background is a neutral, light gray.

THE DETAILS

Polished calf, burgundy depth. Every seam placed by hand — an intimate exhibition of the maker's patience.
