1. Aims

This section provides details of the purpose of this document, as appropriate to our centre:

The centre is committed to ensuring that the exams management and administration process is run effectively and efficiently and in compliance with the published JCQ regulations and awarding body requirements.

This exam policy will ensure that:

- all aspects of the centre's exam process are documented, supporting the exams contingency plan, and other relevant exams-related policies, procedures and plans are signposted to.
- The workforce is well informed and supported.
- All centre staff involved in the exams process clearly understand their roles and responsibilities.
- All exams and assessments are conducted according to JCQ and awarding body regulations, guidance, and instructions, thus maintaining the integrity and security of the exam/assessment system at all times.
- exam candidates understand the exams process and what is expected of them.

This policy is reviewed annually to ensure ways of working in the centre are accurately reflected and that exams and assessments are conducted to current JCQ (and awarding body) regulations, instructions, and guidance.

This policy will be communicated to all relevant centre staff.

A copy of this policy will be made available on the school web site.

a. Legislation and statutory requirements

This Policy fulfils the requirements of current JCQ guidance and is updated yearly as this guidance changes.

b. Scope

This section gives details of the roles and responsibilities within our centre:

The Head of Centre is the individual who is accountable to the awarding bodies for ensuring that the centre is always compliant with the published JCQ regulations and awarding body requirements to ensure the security and integrity of the examinations/assessments.

The Examinations Officer is the person appointed by the Head of the Centre to act on behalf of, and be the main point of contact for, the centre in matters relating to the general administration of awarding body examinations and assessments.

The Head of Centre may not appoint themselves as the examinations officer. A Head of Centre and an examinations officer are two distinct and separate roles. (GR 2)

Head of Centre responsibilities

The Head of Centre is the individual who is accountable to the awarding bodies for ensuring that the centre is always compliant with the published JCQ regulations and awarding body requirements to ensure the security and integrity of the examinations/assessments. **It is the responsibility of the Head of the Centre to ensure that all staff comply with the instructions in this booklet.** Failure to do so may constitute malpractice as defined in the JCQ publication Suspected Malpractice: Policies and Procedures, 1 September 2021 to 31 August 2022:

<https://www.jcq.org.uk/exams-office/malpractice> (ICE Introduction)

Head of Centre

Understands the contents, refers to and directs relevant centre staff to annually updated JCQ publications including:

- General Regulations for Approved Centres (GR)
- Instructions for Conducting Examinations (ICE)
- Access Arrangements and Reasonable Adjustments (AA)
- Suspected Malpractice - Policies and Procedures (SM) 7
- Instructions for conducting non-examination assessments (NEA) (and the instructions for conducting coursework)
- A guide to the special consideration process (SC)

These policies are available through the school web site.

- Ensures the centre has appropriate accommodation to support the size of the cohorts being taught including appropriate accommodation for candidates requiring access arrangements for exams and assessments.

National Centre Number Register

- The Head of the Centre takes responsibility for confirming, on an annual basis, that they are both aware of and adhering to the latest version of the JCQ's regulations. This confirmation is managed as part of the National Centre Number Register (NCNR) annual update.
- Understands that this responsibility cannot be delegated to a member of the senior leadership team or the examinations officer, and acknowledges that failure to respond to the NCNR annual update, and/or the Head of Centre's declaration, will result in:
 - the centre status being suspended.
 - the centre not being able to submit examination entries.
 - the centre not receiving or being able to access question papers and ultimately, awarding bodies could withdraw their approval of the centre.

Recruitment, selection, training of staff

- We will support and maintain a team of staff of an appropriate size and competence, including, where appropriate allocating protected time to support the management of examinations and to undertake any management tasks that the qualification awarding body required.
- Teachers will engage fully with all training and support that has been provided by the Joint Council for Qualifications and the awarding organisations and will read all appropriate JCQ information.
- The SLT will take reasonable steps to ensure occupational competence where this is required for the assessment of specific qualifications.
- Subject teachers will complete training in effective standardisation and moderation.
- **Staff who deliver qualifications must ensure that they have read and understood the subject/Examination specification and follow the instructions.**
- Provides fully qualified teachers to mark non-examination assessments, and/or fully qualified assessors for the verification of centre-assessed components.
- Enables the relevant senior leader(s), the examinations officer (EO) and the Subject Teacher/SENCo to receive appropriate training and support in order to facilitate the effective delivery of examinations and assessments within the centre and ensure compliance with the published JCQ regulations.
- Appoints a SENCo who will determine appropriate arrangements for candidates with learning difficulties and disabilities.

Internal governance arrangements

- Should the Head of the Centre be absent during the examination process the Governing Board will be notified immediately and be available to support.

Escalation Process

- The Senior Leaders will provide support and guidance to the examinations officer and ensure that the integrity and security of examinations and assessments is maintained throughout the examination series.
- Ensure that the Centre Staff undertake key tasks within the examination process and meet internal deadlines set by the Exams Officer.
- Make sure the teacher or other staff who teach the subject being examined is not an invigilator during the examination.

Delivery of Qualifications

- The Head of Centre and all staff deliver qualifications, as required by the awarding body, in accordance with relevant equality legislation. This includes but is not limited to ensuring that qualifications are made available to all candidates capable of undertaking them and seeking reasonable adjustments for disabled candidates.
- Enables candidates to receive sufficient and up to date laboratory experience, or relevant training where required by the subject concerned.
- Where/if using a third party to deliver any part of a qualification at the centre:
 - The Head of the Centre maintains oversight of, and responsibility for, the delivery of the qualification in accordance with JCQ regulations and awarding body requirements.
 - has in place a written agreement with the third party ensuring that a copy of the written agreement is available for inspection if requested by the awarding body.

c. Roles and responsibilities

The Head Teacher and Examinations Officer are responsible for updating and implementing this policy.

It is the responsibility of all staff who undertake Examinations delivery and Invigilation to ensure that they have read and understand the information contained in this policy as well as the JCQ guidance.

d. Policy Statement

The Head of the Centre ensures compliance with local health and safety rules which are in place and that the center is adequately covered for public liability claims.

Security of assessment materials

The Head of Centre takes all reasonable steps to maintain the integrity of the examinations/assessments, including the security of all assessment materials, by ensuring:

- › the location of the centre's secure storage facility in a secure room solely assigned to examinations for the purpose of administering secure examination materials
 - › the secure room only contains exam-related material
 - › there are between two and six keyholders only, each of whom must fully understand their responsibilities as a key holder to the secure storage facility
 - › access to the secure room and secure storage facility is restricted to the authorised two to six key holders and staff named and approved by the Head of Centre are accompanied by a key holder at all times
 - › appropriate arrangements are in place to ensure that confidential materials are only handed over to authorised members of centre staff
 - › the relevant awarding body is immediately informed if the security of question papers or confidential supporting instructions is put at risk
 - › that when it is permitted to remove question papers from secure storage, and to avoid potential breaches of security, arrangements are in place to carefully check and record that the correct question paper packets are opened.
- Makes arrangements to receive and issue material received from the awarding bodies to staff and candidates and notify them of any advice and instructions relevant to the examinations and assessments.
 - Allows candidates access to relevant pre-release materials on, or as soon as possible after, the date specified by the awarding bodies.
 - Through taking an ethical approach and working proactively to avoid malpractice among students and staff takes all reasonable steps to prevent the occurrence of any malpractice/maladministration before, during the course of and after examinations have taken place.
 - Ensures any person involved in administering, teaching, or completing examinations/assessments is advised that where malpractice is suspected, or alleged, personal data about them will be provided to the awarding body (or bodies) whose examinations/assessments are involved. Personal data about them may also be shared with other awarding bodies, the qualifications regulator, or professional bodies in accordance with the JCQ publication Suspected malpractice – Policies and procedures.
 - Ensures irregularities are investigated and informs the awarding bodies of any cases of alleged, suspected, or actual incidents of malpractice or maladministration, involving a candidate or a member of staff, are reported to the awarding body immediately.
 - Ensures risks to the exam process are assessed and appropriate risk management processes/contingency plans are in place (that allow the senior leadership team to act immediately in the event of an emergency or staff absence)

Exam Contingency Plan

Our contingency plan in case of any unplanned issues with our building are as follows:

- In the case of an unexpected issue within the school, a suitable room would be identified in one of our care homes and exams would be carried out there. This would

involve a careful Risk Assessment to ensure safety of transfer of examination materials and accurate recording of issues.

- In line with the Emergency Evacuation section mentioned later in this policy an alternative building away from any disturbance may be sought at short notice.

Other information relevant to this policy

- **Internal Appeals procedure:** this ensures internal appeals procedures are in place and drawn to the attention of candidates and (where relevant) their parents and carers.
- **Equalities Policy:** Ensures the centre's equalities policy demonstrating the centre's compliance with relevant legislation is in place and details the processes followed in respect of identifying the need for, requesting, and implementing access arrangements.
- **Complaints and Appeals Procedure (Exams).** Ensures a complaints and appeals procedure covering general complaints regarding the centre's delivery or administration of a qualification is in place and drawn to the attention of candidates and their parents/carers.
- **Child Protection:** Ensures the centre has a child protection/safeguarding policy in place, including Disclosure and Barring Service (DBS) clearance, which satisfies current legislative requirements.
- **Data Protection (Exams)** Consideration may also need to be given to the policy on sharing candidates' results and other exams related information with those with parental responsibility and third parties.

Legislation on sharing information

Under the principles of the General Data Protection Regulations 2018 and the Data Protection Act 2018, children and young adults can assume control over their personal information and restrict access to it from the age of 13. This suggests that candidate consent should be sought to share results or other exams-related information with a third party. For the results to be published we would seek this.

Refer to ICO (Information Commissioner's Office) Schools, universities and colleges information and Exam results.

This section of our Centre Policy outlines the approach our centre will take to provide students with appropriate access arrangements and take into account mitigating circumstances in particular instances.

Reasonable adjustments and mitigating circumstances (special consideration)

This section gives details of our approach to access arrangements and mitigating circumstances (special consideration).

The intention behind an access arrangement is to meet the particular needs of an individual candidate without affecting the integrity of the assessment. Access arrangements are the principal way in which awarding bodies comply with the duty under the Equality Act 2010 to make 'reasonable adjustments'.

The majority of our students have an EHCP with some receiving Speech and Language Therapy (SaLT) and Occupational Therapy (OT) support. Students have access to clinical interventions due to mental health issues that on the whole, relate to Anxiety and low self-esteem associated with their ASC diagnosis.

Access arrangements are evidenced by subject staff and the SENCo. These arrangements used are;

- Evidence provided by teachers and other staff.
- Specialist assessments for example SaLT assessment
- Clinical report or Assessment
- Guidance given in EHCP.

This is gathered by

Detailed SENCo file note with pupils' views linked to EHCP is provided as evidence
Access arrangements checklist is given to teachers to establish 'normal way of working'.

Reasonable adjustments

The Equality Act 2010 requires an awarding body to make reasonable adjustments where a candidate, who is disabled within the meaning of the Equality Act 2010, would be at a substantial disadvantage in comparison to someone who is not disabled. The awarding body is required to take reasonable steps to overcome that disadvantage. An example would be a Braille paper which would be a reasonable adjustment for a vision impaired candidate who could read Braille. A reasonable adjustment may be unique to that individual and may not be included in the list of available access arrangements. Whether an adjustment will be considered reasonable will depend on several factors which will include, but are not limited to:

- the needs of the disabled candidate.
- the effectiveness of the adjustment.
- the cost of the adjustment; and
- the likely impact of the adjustment upon the candidate and other candidates.

An adjustment will not be approved if it:

- involves unreasonable costs to the awarding body.
- involves unreasonable timeframes.
- or affects the security and integrity of the assessment.

This is because the adjustment is not 'reasonable'.

Data evidence

SaLT or OT assessments.
Clinical Assessments if available.

The SENCo has received appropriate access arrangements training and is familiar with the Access Arrangements and Reasonable Adjustments booklet Sept 2021 -Aug 2022.

Conflicts of Interests

The Head of Centre and Examinations officer ensures the relevant awarding bodies are informed before the published deadline for entries for each examination series of any potential conflict of interest where

- a member of centre staff is taking a qualification at the centre which includes internally assessed components/units (taking at the centre as a last resort where unable to find an alternative centre)
- a candidate is being taught and prepared for a qualification which includes internally assessed components/units by a member of centre staff with a close relationship to the candidate 11.

Maintains clear records that confirm the measures taken/protocols in place to mitigate any potential risk to the integrity of the qualifications affected by the above, and where

- A member of exams office staff has a close relationship to a candidate being entered for exams and assessments at the centre or at another centre.
- a member of centre staff is taking a qualification at the centre which does not include internally assessed components/units (taking at the centre as a last resort where unable to find an alternative centre)
- A member of the centre staff is taking a qualification at another centre.
- Ensure other relevant centre staff where they may be involved in the receipt and dispatch of confidential exam materials are briefed on the requirements for maintaining the integrity and confidentiality of the exam materials.
- Ensures members of centre staff do not forward emails and letters from awarding body or JCQ personnel without prior consent to third parties or upload such correspondence onto social media sites and applications.
- Ensure members of centre staff do not advise parents/candidates to contact awarding bodies/JCQ directly nor provide them with addresses/email addresses of awarding body examining/assessment personnel or JCQ personnel.

Centre Inspections

- The staff co-operate with the JCQ Centre Inspection Service, an awarding body, or a regulatory authority when subject to an inspection, an investigation or an unannounced visit, and takes all reasonable steps to comply with all requests for information or documentation made by an awarding body or regulatory authority as soon as is practical.
- The exams office allows all venues used for examinations and assessments, paperwork, and secure storage facilities to be open to inspection.
- Understands the JCQ Centre Inspector will identify him/herself with a photo ID card and must be accompanied throughout his/her tour of the premises, including inspection of the centre's secure storage facility.

- Actively seek support with any aspect of the qualification/accreditation if unclear and seek out further training as required.
- Ensure that all work relating to examination is taught and accurately marked in accordance with specification guidance.

Invigilators

- A training session on the new regulations must be held for new invigilators. and those facilitating an access arrangement for a candidate under examination conditions. An annual update meeting must be held for the existing invigilation team so that they are aware of any changes. Centres must ensure that the testing of invigilators' competence and their understanding of these regulations is rigorous. This must also extend to those facilitating an access arrangement.

Reception staff

- Support the EO in the receipt and dispatch of confidential exam materials and follow the requirements for maintaining the integrity and confidentiality of the exam materials.

- Note the internal deadlines in the annual exams plan and directs teaching staff to meet these.

Access Arrangements

Head of Centre

- Ensures there is appropriate accommodation for candidates requiring access arrangements in the centre for all examinations and assessments.
- The SENCo is suitably qualified and trained to support access arrangements details are included in the SEN policy.
- Ensures the SENCo is fully supported in effectively implementing access arrangements and reasonable adjustments once approved.

SENCo

- Assesses candidates (or works with the appropriately qualified assessor as appointed by the Head of Centre) to identify access arrangements / reasonable adjustments requirements.
- Gathers evidence to support the need for access arrangements for a candidate.
- Liaises with teaching staff to gather evidence of the normal way of working of an affected candidate.
- Determines candidate eligibility for arrangements or adjustments that are centre-delegated.
- Gathers signed Personal data consent, Privacy Notice (AAO) and Data Protection confirmation forms (from candidates where required)
- Applies for approval through Access arrangements online (AAO) via the Centre Admin Portal (CAP), where required or through the awarding body where qualifications sit outside the scope of AAO.
- Keeps a file for each candidate for JCQ inspection purposes containing all the required documentation (if documentation is stored electronically, an e-folder must be created for each individual candidate. The candidate's e-folder must hold each of the required documents for inspection)
- Employs good practice in relation to the Equality Act 2010
- Liaises with the EO regarding exam time arrangements for access arrangement candidates.
- Ensures staff appointed to facilitate access arrangements for candidates are appropriately trained and understand the rules of the particular arrangement(s) and keeps a record of the content of training provided to facilitators for the required period.
- Works with the EO to ensure invigilators and those acting as a facilitator fully understand the respective role and what is and what is not permissible in the exam room.
- Provides and annually reviews a centre policy on the use of word processors in exams and assessments.

The Exams Officer and SENCo should be familiar with the JCQ arrangements for accessing examination papers to prepare for access arrangements.

Awarding Word Processors

There are also exceptions where a candidate may be awarded the use of a word processor in exams where he/she has a firmly established need, it reflects the candidate's normal way of working and by not being awarded a word processor would be at a substantial disadvantage to other candidates.

The '**normal way of working**' as defined by JCQ is as follows:

"The arrangement(s) put in place must reflect the support given to the candidate in the centre, for example:

- in the classroom.
- working in small groups for reading and/or writing.
- literacy support lessons
- literacy intervention strategies
- pre public examinations

Exceptions might include where a candidate has, for example:

- a learning difficulty which has a substantial and long-term adverse effect on their ability to write legibly.
- a medical condition
- a physical disability
- a sensory impairment
- planning and organisational problems when writing by hand.
- poor handwriting which may hamper their ability to be understood.
- writing speed is too slow to be able to complete the exam in the allotted time.

The only exception to this is where an arrangement is put in place as a consequence of a temporary injury or impairment."

Allocating word processors

Appropriate exam-compliant word processors will be allocated by the IT department in liaison with the SENCo and the Exams Officer.

In exceptional circumstances where the number of appropriate word processors may be insufficient for the cohort of candidates approved to use them in an exam session, the students who require the use of a word processor will be split into two groups. One group will sit the exam earlier than or later than the published start time. The security of the exam will be maintained at all times and candidates will be supervised in line with section 2.11 of ICE.

We will ensure that any candidate requiring separate invigilation within the centre is clear and meets the JCQ regulations.

Separate Invigilation

Separate invigilation is determined by the SENCo, in conjunction with relevant teaching staff and the Exams Officer. JCQ are clear in that the decision to offer separate invigilation to candidates is the responsibility of the SENCo. Separate invigilation will be considered where

the arrangement would prevent a candidate from being placed at a substantial disadvantage and where the following conditions are met:

- the candidate's difficulties are established and long term within the centre;
- these difficulties are known to a Form Tutor, a Head, Pastoral Lead or the SENCo;
- Separate invigilation reflects the candidate's normal way of working in internal school tests and pre public examinations as a consequence of a long-term medical condition or long-term social, mental or emotional needs.
- 'normal way of working' includes separate invigilation during pre-public examinations, internal school tests and/or high-level GCSE controlled assessments.

The following are examples where candidates would be eligible for separate invigilation:

- A candidate with depression who has been under Child and Adolescent Mental Health Services (CAMHS).
- A candidate with an established medical condition or formally recognised social, emotional, and behavioural difficulties.
- The candidate's difficulties are established within the centre and known to relevant staff or a senior member of staff with pastoral responsibilities (AA 5.16)

Where a candidate simply panics on the day of an examination or becomes anxious, then he/she will not be offered separate invigilation but be seated more appropriately within the main examination space.

Separate invigilation is no different to other access arrangements; such as prompters, supervised rest breaks etc., and will need to have documented evidence in place for the arrangements to be made. The SENCo, Pastoral Lead and Senior Members of Staff will be aware of students with established and long-term health conditions and which candidates are eligible for separate invigilation.

In certain circumstances, a candidate with '**an established difficulty**' may be eligible to take exams under separate invigilation. Centres may also receive requests from candidates (and/or parents/carers) to take their exams under separate invigilation (in a separate room with 1:1 invigilation).

All students will be supported to access examinations that occur in an unfamiliar space by visiting this space prior to any examination to be taken and familiarising themselves with the layout.

Working with the SENCo and exams officer (EO), who may highlight issues such as room availability and the need for additional invigilation, a centre-based decision will be made on the need for separate invigilation for students.

Senior Leaders

- Support the Subject Teacher lead/SENCo in determining and implementing appropriate access arrangements / reasonable adjustments.
- Provide a statement for inspection purposes which details the criteria the centre uses to award and allocate word processors for examinations.

Internal Assessment and Endorsements

Head of Centre

Controlled assessments, coursework, and non-examination assessments

- Ensures arrangements are in place to co-ordinate and standardise all marking of centre assessed components and ensures that candidates' centre-assessed work is produced, authenticated, and marked, or assessed and quality assured in accordance with the awarding bodies' instructions (including where relevant, private candidates)
- Ensures that teaching staff, in accordance with awarding bodies' instructions, return all subject-specific forms by the required date.
- Provides fully qualified teachers to mark non-examination assessments, and/or fully qualified assessors for the verification of centre-assessed components.
- Ensures an internal appeals procedure relating to internal assessment decisions is in place for a candidate to appeal against and request a review of the centre's marking (see Roles and responsibilities overview)
- Ensures a **non-examination assessment policy** is in place for GCE and GCSE qualifications which include components of non-examination assessment (For CCEA GCSE centres this would be a controlled assessment policy)

Entries: roles and responsibilities

Estimated Entries

Examinations Officer

- Request estimated or early entry information, where this may be required by awarding bodies, from subject teacher in a timely manner to ensure awarding body external deadlines for submission can be met.
- Makes candidates aware of the **JCQ Information for candidates – Privacy Notice** at the start of a course leading to a vocational qualification or when entries are submitted to awarding bodies for processing for general qualifications.

Estimated entries collection and submission procedure

- Senior leaders and EO course information (subject qualification and codes) at the beginning of the academic year.
- The EO uses this information to identify which subjects will need EstimatedEntries submitting online and inform the Head of Centre for inclusion in Board reports.

Final entries

Exams Officer

- Requests final entry information from Subject/Class Teachers in a timely manner to ensure awarding body external deadlines for submission can be met ensure the Assistant Head are aware of this request.
- Informs Subject Teachers and Assistant Heads of subsequent deadlines for making changes to final entry information without charge.
- Confirms with teachers and Assistant Heads that final entry information that has been submitted to awarding bodies.
- Ensures as far as possible that entry processes minimise the risk of entries or registrations being missed reducing the potential for late or other penalty fees being charged by awarding bodies.
- Observes each awarding body's terms and conditions for the entry and withdrawal of candidates for their examinations and assessments and observes any regulatory requirements for the qualification.

Final entries collection and submission procedure

The EO uses the KS4 Course information submitted at the beginning of the academic year by teachers and Assistant Heads to create exam entry mark sheets. EO then completes these mark sheets with the correct information for subjects/qualifications. Final entry sheets are then printed off by the EO and are checked, signed, and dated by the Head of Centre to confirm authentication. The EO then submits these entries to awarding bodies.

Senior Leaders/Teachers

- Provide information requested by the EO to the internal deadline.
- Inform the EO immediately, or at the very least prior to the deadlines, of any subsequent changes to final entry information, which includes
 - changes to candidate personal details
 - amendments to existing entries
 - withdrawals of existing entries

Check final entry submission information provided by the EO and confirm the information is correct.

Entry Fees and Late Entries

New Perspectives school will pay all normal exam fees on behalf of all candidates.

Late entry or amendment fees are an additional cost that is not budgeted for. Subject Teachers must ensure that where possible these fees are avoided at all costs.

The Exams Officer

- Has clear entry procedures in place to minimise the risk of late entries.

Senior Leaders

Minimise the risk of late entries by

- following procedures identified by the EO in relation to making final entries on time.
- meeting internal deadlines identified by the EO for making final entries.

Teachers or Senior Leaders will not be challenged if changes are made to tier, withdrawals made by the proper procedures or alterations arising from administrative processes provided these are made within the time allowed by the awarding bodies.

The EO must inform the Head or Deputy of any emerging issues.

After the deadline, clear reasoning or evidence must be proved by the subject teacher to the Senior Leaders or Head as to why these changes have occurred.

An action plan may be produced to mitigate future occurrences.

Re-sit entries

Candidates will be supported financially by the school to resit an examination particularly if the target grade is within reach.

Retake decisions will be made in consultation with the candidates, subject teachers, parents/carers, and Senior Leaders.

The EO must make the Administration Manager aware of the number of resits and the cost.

Private Candidates

New Perspectives School does not accept private candidates.

Candidate Absence

An absent candidate may subsequently arrive once the exam is underway, becoming a late or very late arrival, at which point New Perspectives School reserves the right to exercise discretion whether to allow a candidate who arrives after the start of the examination to enter the examination room and sit the examination.

Based upon the circumstances for the absence, and subject to the required conditions being met, an application for special consideration may also be made to the relevant awarding body.

A candidate will be considered absent from an examination if:

The candidate is not present on completion of the attendance register once candidates are seated and have started the examination; OR the candidate is not present when the class register is taken before candidates are invited to enter the room, under supervised conditions, to start their examination.

Once a candidate is identified as absent from an examination, the following action will be taken:

- The candidate will be contacted immediately as to their whereabouts and as far as possible arrangements made to ensure their immediate arrival.

If a candidate fails to sit an examination, the following action is taken

- A confirmed candidate's absence is clearly recorded on the attendance register which is sent to the examiner/marker.
- The candidate absence is noted on the seating plan by crossing through the candidate details.

- The examination is in the candidate's terminal exam series.
- The candidate has completed or will be able to complete the required percentage of the assessment to meet the minimum requirements for enhanced grading in cases of acceptable absence.

Whistleblowing

Definition

A whistleblower is defined as a person who reports an actual or potential wrongdoing and is protected by the Public Interest Disclosure Act 1998, providing they are acting in the public interest. If the person raising the issue is a worker, this will be considered as whistleblowing. This includes agency staff and contractors.

Reporting

If a member of centre staff involved in the management, administration and/or conducting of examinations (such as exams officer, exams assistant or invigilator), a student or a member of the public (such as a parent/carer) has a concern or reason to believe that malpractice has or will occur in an examination or assessment, concerns should normally be raised initially with Julie Cartwright, Senior Leadersteacher.

Examples of Exam Related breaches

In addition to the centre wide Whistleblowing Policy, this exams-specific policy, includes reference to exams-related breaches including, but not limited to, the following:

- Failure to comply with exam regulations as set out by the Joint Council for Qualifications (JCQ) and its awarding bodies.
- A security breach of the examination paper
- Conduct of centre staff which undermines the integrity of the examination.
- Unfair treatment of candidates by either giving an advantage to a candidate/group of candidates (e.g. by permitting a candidate an access arrangement which is not supported by appropriate evidence), or disadvantaging candidates by not providing access to the appropriate conditions (providing a 'level playing field')
- Possible fraud and corruption (e.g. accessing the exam paper prior to the exam to aid teaching and learning)
- Abuse of authority (e.g. the head of centre/members of the senior leadership team overriding JCQ and awarding body regulations)
- Other conduct which may be interpreted as malpractice/maladministration.

Procedure

If the individual does not feel safe raising the issue/reporting malpractice within the centre, or they have done so and are concerned that no action has been taken, that individual could consider making their disclosure to a malpractice expert at the awarding body for the qualification where the malpractice is suspected.

For members of centre staff, it is likely that the Public Interest Disclosure Act (PIDA) offers legal protection from being dismissed or penalised for raising certain serious concerns

('blowing the whistle'). Whistleblowing rights under PIDA are day one rights, meaning that the worker does not need the same two years' service that is needed for other employment rights.

In order to investigate concerns effectively, the awarding body should be provided with as much information as possible/is relevant which may include:

- The qualifications and subjects involved.
- The centre involved.
- The names of staff/candidates involved.
- The regulations breached/specific nature of suspected malpractice.
- When and where the suspected malpractice occurred
- Whether multiple examination series are affected
- If the issue has been reported to the centre and what the outcome was
- How the issue became apparent

Members of the public are not protected by PIDA, but the awarding body will make every effort to protect their identity if that is what they wish, unless the awarding body is legally obliged to release it.

Alternatively, a worker could consider making a disclosure to Ofqual as a prescribed body for whistleblowing to raise a concern about wrongdoing, risk, or malpractice.

Anonymity

In some circumstances, the whistleblower might find it difficult to raise concerns with the nominated member of the senior leadership team. If a concern is raised anonymously, the issue may not be able to be taken further if insufficient information has been provided. In such instances, and if appropriate, the allegation may be disclosed to a union representative, who could then be required to report the concern without disclosing its source. Alternatively, whistleblowers or others with concerns about potential malpractice can report the matter direct to Ofqual, who is identified as a 'prescribed body'. Awarding organisations are not prescribed bodies under whistleblowing legislation; however, awarding organisation investigation teams do give those reporting concerns the opportunity for anonymity.

A whistleblower can give his/her name but may also request confidentiality; the person receiving the information should make every effort to protect the identity of the whistleblower.

Students

Students at New Perspectives School are made to feel comfortable discussing/reporting malpractice issues of which they are aware. The regulations surrounding their assessments, and wider academic integrity, will be reiterated to students who are undertaking, or who are about to undertake, their courses of study.

Malpractice

Please read and sign your understanding of the separate policy on Malpractice.
