### Experience

#### Vyrr

Product Designer

12/2023 - 04/2024 (5 months)

Remote

Founded, designed, built & launched a B2C iOS app for sharing stats from multiple apps to Instagram with Flutter.

#### ReAI

Product Designer

09/2022 - 09/2023 (1 year)

Remote

Co-founded, designed, built & launched a web, iOS & Android based ChatGPT career education alternative trained by human experts that are rewarded for training. Grew the user base organically to 10 thousand users.

#### Oiko Living

Product Designer

09/2021 - 09/2022 (1 year)

London, UK

Designed & coded a specifically designed rental platform for Digital Nomads and international students, which is mobile-first - making it easier to upload listings for agents/landlords and browse them for renters. Grew the number of apartments listed to 200+ in 20+ different cities in EU, NA & Middle East.

#### OmneeX

UX/UI Designer

02/2021 - 09/2021 (7 months)

Moscow, Russia

Worked with a Lead UX Designer on a E-commerce analytics B2B SaaS tool for Wildberries sellers.

#### Herzog & de Meuron

Architectural Assistant

09/2018 - 09/2019 (1 year)

Basel, Switzerland

Participated in the design of Badaevskiy Brewery - a luxury housing development in central Moscow

### Education

#### Manchester School of Architecture

BArch (Hons) 2016 - 2020

First Class Honours Degree
