Experience

Senior Graphic Designer – Positive Group Deutschland

Berlin, Germany · 2021 - Present

Graphic Design
Created visual content for the website and social media, including illustrations and animations. Designed marketing materials, Google Ads, landing pages, newsletters and trade show displays. Collaborated with teams across multiple European companies. Provided ongoing supervision and mentorship to three working students.

Interior Design
Designed three office spaces, including two complete fit-outs from scratch, taking responsibility for concept development, space planning, furniture design, sourcing and implementation. Coordinated custom furniture production with local carpenters and managed the procurement and installation of furnishings. Set up a video studio for YouTube production.

Freelance Interior Designer – vertland.africa

Kigali, Rwanda · Dec 2025

Independently developed an office design concept from scratch for a Danish tech company, including floor plans, colour schemes and material selection. Collaborated with local craftsmen on the design and production of custom furniture on site.

Graphic Designer – assona

Berlin, Germany · 2020 - 2021

Conceptualised and created visual content for Protectonaut's social media channels and blog. Researched visual material and planned and conducted photo shoots to produce original imagery. Uploaded and managed content using WordPress.

Editor – Verlag Esterbauer

Berlin, Germany · 2012 - 2020

Conceptualised and produced hiking and cycling guidebooks, working accurately and reliably under tight deadlines.

European Voluntary Service – European Commission (EU)

Linköping, Sweden · 2006 - 2007

Volunteered at the Ekholmsgården youth centre and provided support to young people with disabilities.
