## How SpecialistHQ Helped Rachel Tackle Overwhelm by Finding World-Class Freelancers

### THE SUMMARY

Rachel had too much work to handle by herself. She needed help with client projects, social media, and websites. SpecialistHQ stepped in to find skilled freelancers. Within a few weeks we:

Reviewed **500** applications.

Interviewed more than **60** candidates

Gave Rachel the top **10** candidates

This saved Rachel time and let her focus on growing her business.

“

“SpecialistHQ made it so easy. I could just word vomit all my problems, and magically they brought me highly qualified candidates. It saved us so much time, allowing us to do what we should be doing in our business rather than spending hours on podcast production. If you're overwhelmed, SpecialistHQ is the solution.”

### RACHEL'S STORY

Rachel works with small businesses, helping them grow, but soon found herself struggling to keep up with her client deliverables. Managing projects, social media accounts, and websites for her clients became too much. She needed support, but the hiring process took too long and used up the time she needed to focus on her business.

Rachel reached out to SpecialistHQ, hoping to find a solution that would free up her time and help her get back on track. We understood that she needed more than just workers; she needed skilled freelancers who could seamlessly fit into her business and take on key responsibilities.
