## WORK EXPERIENCE:

### Warehouse Associate I

April 2026 - Present

Scholastic Inc. | Houston, TX

- Built and prepared book fairs by organizing, packing, and sorting books and materials for shipment to schools
- Used handheld scanners to pick, pack, and track inventory while meeting daily production goals
- Worked with a team to keep the warehouse organized, safe, and efficient in a fast-paced environment

## PROJECTS:

### Fitness Tracking App – UX Principles 2

Spring 2025

University of Houston | Houston, TX

- Worked in a team to design a fitness tracking app from concept to prototype
- Created wireframes and interactive mockups in Figma
- Tested designs and made adjustments based on feedback

### Sneakers Museum Design – Senior Project

Fall 2025

University of Houston | Houston, TX

- Researched the sneaker collection and its history for the assigned museum wing
- Collaborated with team members to design the layout and display for the museum wing
- Contributed design ideas to support the overall project presentation

### Tech Fest Live – Transmedia Marketing (Post-Production Team)

Fall 2025

University of Houston | Houston, TX

- Collaborated with Tech Fest Live for the first time as part of a class project
- Edited video reels and clips for the event
- Assisted with organizing media assets and preparing final content

## EDUCATION:

### University of Houston

Dec. 2025

- Bachelor of Science in Digital Media
- Minors: Technology Leadership & Innovation, Studio Arts

**Languages:** English, Vietnamese
