RELEVANT LIFE EXPERIENCES

Outdoor Leadership Program Logo Redesign

Working with the heads of the program as well as the students to create a modern representation of the programs values.

TAS Rugby Program Ad

Using Hotrum Counselling's logo and branding to develop an ad displayed in the Rugby Campaign Program to support a local high school's girls rugby team trip to Ireland.

Buckhorn Fine Arts Award

Allowed me to present my work alongside and network among many local artists who had their works on display.

Irish Experience

Traveled to Ireland to earn a grade twelve English credit. Four weeks spent in Dublin, Galway, and Cork at multiple university campuses. This developed my time management, responsibility, and budgeting. It also pushed me to jump into new experiences, and travel alongside many people from across Ontario.
