KALEA PLUS

The Kalea Plus embodies the perfect blend of style and functionality for any high-traffic coffee environment. Designed with precision and care, this machine offers an effortless coffee experience, enabling both staff and customers to enjoy top-quality drinks with just a touch.

MACHINE FEATURES

HIGH-SPEED PERFORMANCE

Equipped with a professional rotating pump and the capacity to produce up to 200 drinks per day, Kalea Plus meets the needs of the busiest locations without compromising on quality.

ADVANCED BREWING TECHNOLOGY

Features the proven Z4000 brewer for espresso that consistently delivers excellence. The optional self-adjusting grinders enhance the quality of each espresso shot, providing a barista-level experience.

VERSATILE MILK OPTIONS

With an automatic milk frother, the Kalea Plus can create perfect milk foam for cappuccinos, lattes, and more.

USER-FRIENDLY INTERFACE

The intuitive operation makes it simple for anyone to select and customize their drinks, promoting a seamless user experience.

BEST FOR INDUSTRIES IN

OFFICES

Enhances any office space with its efficient brewing capabilities and stylish design.

HOTELS

That require a reliable coffee solution to satisfy guests.

WHY CHOOSE THIS MACHINE?

CUSTOMISATION

Multiple configurations with espresso, soluble canisters, and fresh milk options cater to a wide range of tastes and preferences.

EASE OF MAINTENANCE

Features like the independent hot water outlet and automatic milk system cleaning ensure hygiene and ease of use.

COMPREHENSIVE ACCESSORIES

From fridges with cup warmers to slim cup warmers and wooden base cabinets, Kalea Plus can be tailored to fit any setting perfectly.

MACHINE DIMENSIONS (DXWXH)

586mm x 368mm x 788mm
