VOCAL
LANTERNS

FOR IMMEDIATE RELEASE

Book Launch: *Vocal Lanterns*

Women in security amplified through stories that inspire, challenge, and connect.

September 5, 2025 – *Vocal Lanterns* is a first-of-its-kind collection capturing the lived experiences, insights, and reflections of women and allies across the global security field. The book spans cyber and corporate security, intelligence, entrepreneurship, offering a rare and intimate look into an industry where visibility, representation, and resilience matter more than ever.

Co-edited by [Arian Avila](#) and [Jennifer Walters](#), with a foreword by [Lauren Bean Buitta](#), CEO & Founder of [Girl Security](#). Proceeds support Girl Security's work preparing the next generation of women in security through mentorship, training, and career opportunities.

About *Vocal Lanterns*

Vocal Lanterns is a collaborative effort that brings together diverse voices across the global security industry. Its mission is to light the way for women in security with strength, courage, and authenticity—building community, growing through mentorship, and driving lasting change.
