

Protecting Multi-Family with Proactive Monitoring

Q1-2025
SOLUTION OVERVIEW

Works with your
existing cameras

Set up in minutes

24/7 Protection
with **AI guards**

30 seconds to action

Plans to match
every budget

8X ROI vs physical guards

Common Challenges

High Security Operating Expenses:
Increasing physical security guard prices

After-hours Crime:
Loitering, vandalism, and property damage

Poor Response Rate:
Reacting to vs preventing security events

The Evolon Solution

Virtual Guarding:
Accurate, low-cost after hours protection

Increased Net Operating Income:
Lower expenses and increase tenant satisfaction

Seamless Integration:
Increase security without increasing budget
