

LUXO Floors Hybrid Plus

Product Specification Sheet

LUXO Floors Hybrid Plus is a rigid hybrid flooring system designed for modern Australian homes. Built with **Stone™ Core technology**, it offers excellent dimensional stability, waterproof performance, and the natural aesthetic of timber flooring with enhanced durability.

Random plank lengths replicate the character of engineered timber flooring, creating a more natural and balanced floor layout.

Construction

Product Type: Hybrid Flooring

Core Technology: Stone™ Rigid Core

Surface Finish: Matte Embossed

Edge Profile: Micro Bevel

Locking System: 2G Click Lock

Installation Method: Floating Click System

Dimensions

Plank Width: 235 mm

Plank Length: Random Length up to 1600 mm

Total Thickness: 10 mm

Wear Layer: 0.7 mm

Underlay: Attached IXPE Acoustic Underlay

Note: Random plank lengths provide a more natural timber appearance and reduce visible pattern repetition.
