About me

Second year user experience undergraduate at Norwich University of the Arts. Continuously driven to improve, I'm always on the lookout for new opportunities to broaden my skills and expertise. I'm a passionate and creative UX design student with a deep interest in digital technology, and visual design. I enjoy using my problem-solving abilities to design intuitive, user-focused experiences.

Education

Norwich University of the Arts BSc(HCI)

User Experience Design

2023 - Present

- Relevant coursework: Interaction Design, User-Centered Design, Design Thinking, Information Architecture, and User Research
- Completed a diverse range of projects, spanning from mobile application design to desktop interface design
- Collaborated with real-world clients to fulfil project requirements and gather constructive feedback

City College Norwich (Level 3)

Graphic Design

2021 - 2023

- An intensive, full-time course that provided hands-on training in visual communication, typography, layout design, and industry-standard graphic design software

Work Experience

ScrewFix

2022 - 2023

- Communicated with customers to identify their purchasing requirement and assist in locating desired items
- Provided customers with essential product information, as well as offered them a demonstration of product features
