Typical Lead Time	Confirmed per order

SPECIFICATION

HS Code	0708.10
Packaging	2.5–5kg pre-packed retail cartons
Certifications	GlobalGAP, BRC
Typical Export Markets	EU (UK, France, Netherlands)

OVERVIEW

Kenya's cool highland zones — Nyandarua, Nyeri, Uasin Gishu, Kericho, and Trans Nzoia — support garden peas, sugar snap peas, and snow peas (mange-tout) as part of the country's core air-freight vegetable basket. Snow peas are picked tender and flat before the seeds swell; garden peas are harvested when pods are fully stuffed but still green.
