# ZENSIA

Zensia is designed to deliver a coffee shop experience directly to your establishment. With its ability to serve a wide range of high-quality beverages, Zensia is perfect for anyone looking for the genuine taste of espresso, freshly brewed leaf tea, or indulgent drinks.

## MACHINE FEATURES

### WIDE RANGE OF BEVERAGES

Zensia offers a variety of coffee shop style drinks, available in two configurations: instant coffee and leaf tea or espresso with leaf tea, ensuring all taste preferences are catered to.

### ADVANCED USER INTERFACE

Features a user-friendly selection panel that provides up to 20 beverage options. The patented Distance Selection Technology allows users to choose their drink without any physical contact, enhancing hygiene and convenience.

### CUSTOMISABLE DESIGN

With its stunning ebony gloss finish and customizable front panels and decals, Zensia is designed to be the center of attention while complimenting any environment.

### EFFICIENT OPERATION

Equipped with a fully automatic cup dispense system that offers 7, 9, or 12 oz cups, Zensia combines convenience with sophistication.

## BEST FOR INDUSTRIES IN

### CORPORATE OFFICES

Enhance your office environment with a reliable, high-quality coffee solution.

### FACTORY/WORKSHOP ENVIRONMENTS

The Zensia works well in factory settings and large shopfloors, where a dependable, high-capacity, and easy-to-use machine can rejuvenate the team with every cup.

## WHY CHOOSE THIS MACHINE?

### ENVIRONMENTAL CONSIDERATIONS

Features such as LED lighting, a paperless brewing system, and an advanced economy mode which reduces energy consumption by up to 35%, make Zensia a sustainable choice.

### USER CONVENIENCE

The intuitive and ergonomic design ensures a frictionless user experience, making beverage selection simple and enjoyable.

### ADAPTABILITY AND SECURITY

Zensia's sturdy construction and customizable options make it suitable for public spaces, offering both security and flexibility in beverage service.

## MACHINE DIMENSIONS (DXWXH)

1830mm x 600mm x 625mm
