ABOUT ME

Holder of a Master's degree in Artistic Direction in Digital Design and Communication obtained in 2022, I have accumulated a wealth of experience as a UX/UI professional, having worked both in an agency and as a freelancer. My background has allowed me to actively participate in many varied graphic projects, particularly in the luxury and digital sectors. Now I am excited to explore new professional opportunities

WORK EXPERIENCE

2023
NOW

UX/UI DESIGNER

Publicis Luxe / ARBH

My integration into the Publicis Luxe group took place through the acquisition of ARBH. Although my role remains unchanged, many brands are now opening up to me. I collaborate with various players within the Publicis group to design different interfaces intended for varied and diversified calls for tenders.
