

EnKoat Insider

Where Innovation Meets Sustainability™

Dear <<First Name>>,

As we kick off 2026, we're reflecting on an unforgettable year. EnKoat officially turned **7 years old** in 2025, and so did our first-ever roof installation, **still going strong with zero issues** after six full years of performance.

We also passed another huge milestone: **1 million sq ft of IntelliKoat™ installed** across **8 states**, on a range of buildings from industrial warehouses and data centers to homes and commercial offices.

Thank you for being a part of our journey. Your support powers everything we do.

Q4 Highlights: The Quarter of Momentum

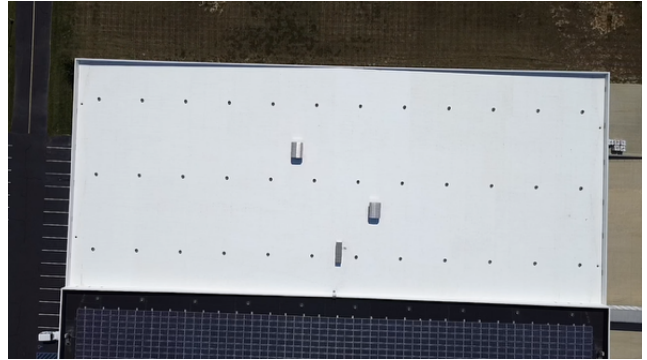

-  **1 million sq ft milestone achieved**
-  **8 states served and counting**
-  **Completed 60,000 sq ft IntelliKoat™ project** in New Jersey (IN²/NLR-backed)

 **Snow-tested performance:**
IntelliKoat™ continues to thrive in freezing Northeast winters

 **Real-world cooling results in Houston,**
with temps dropping from 120°F to 97°F

Project Spotlights: Flagship Install Highlight

[Salem, New Jersey, 60,000 sq ft Industrial Facility](#)

We ended 2025 with a major success: the IntelliKoat™ system was fully installed on a 60,000 sq ft TPO roof in New Jersey in partnership with Galvanize Climate Solutions and the IN² Scalable Program at NLR. [Read More](#)

The result?

- ✓ Extended roof life
- ✓ Thermal management + weather protection
- ✓ Preserved warranty, no tear-off needed
- ✓ Monitoring underway with real-time energy data
