BILLING

*We leave from delhi on 3rd night and return on 7th early morning

BIR BILLING FOR US

What if your next mountain escape came with a little more adrenaline?

Welcome to Bir Billing, where sleepy Himalayan villages meet one of the world's most famous paragliding sites. Here, mornings begin with mountain views, afternoons are made for adventure, and evenings are best spent around cafés, music, and new people.

We'll spend our days exploring the laid-back charm of Bir, chasing mountain views, flying over the Dhauladhar ranges, discovering hidden cafés, and slowing down when the mountains ask us to.

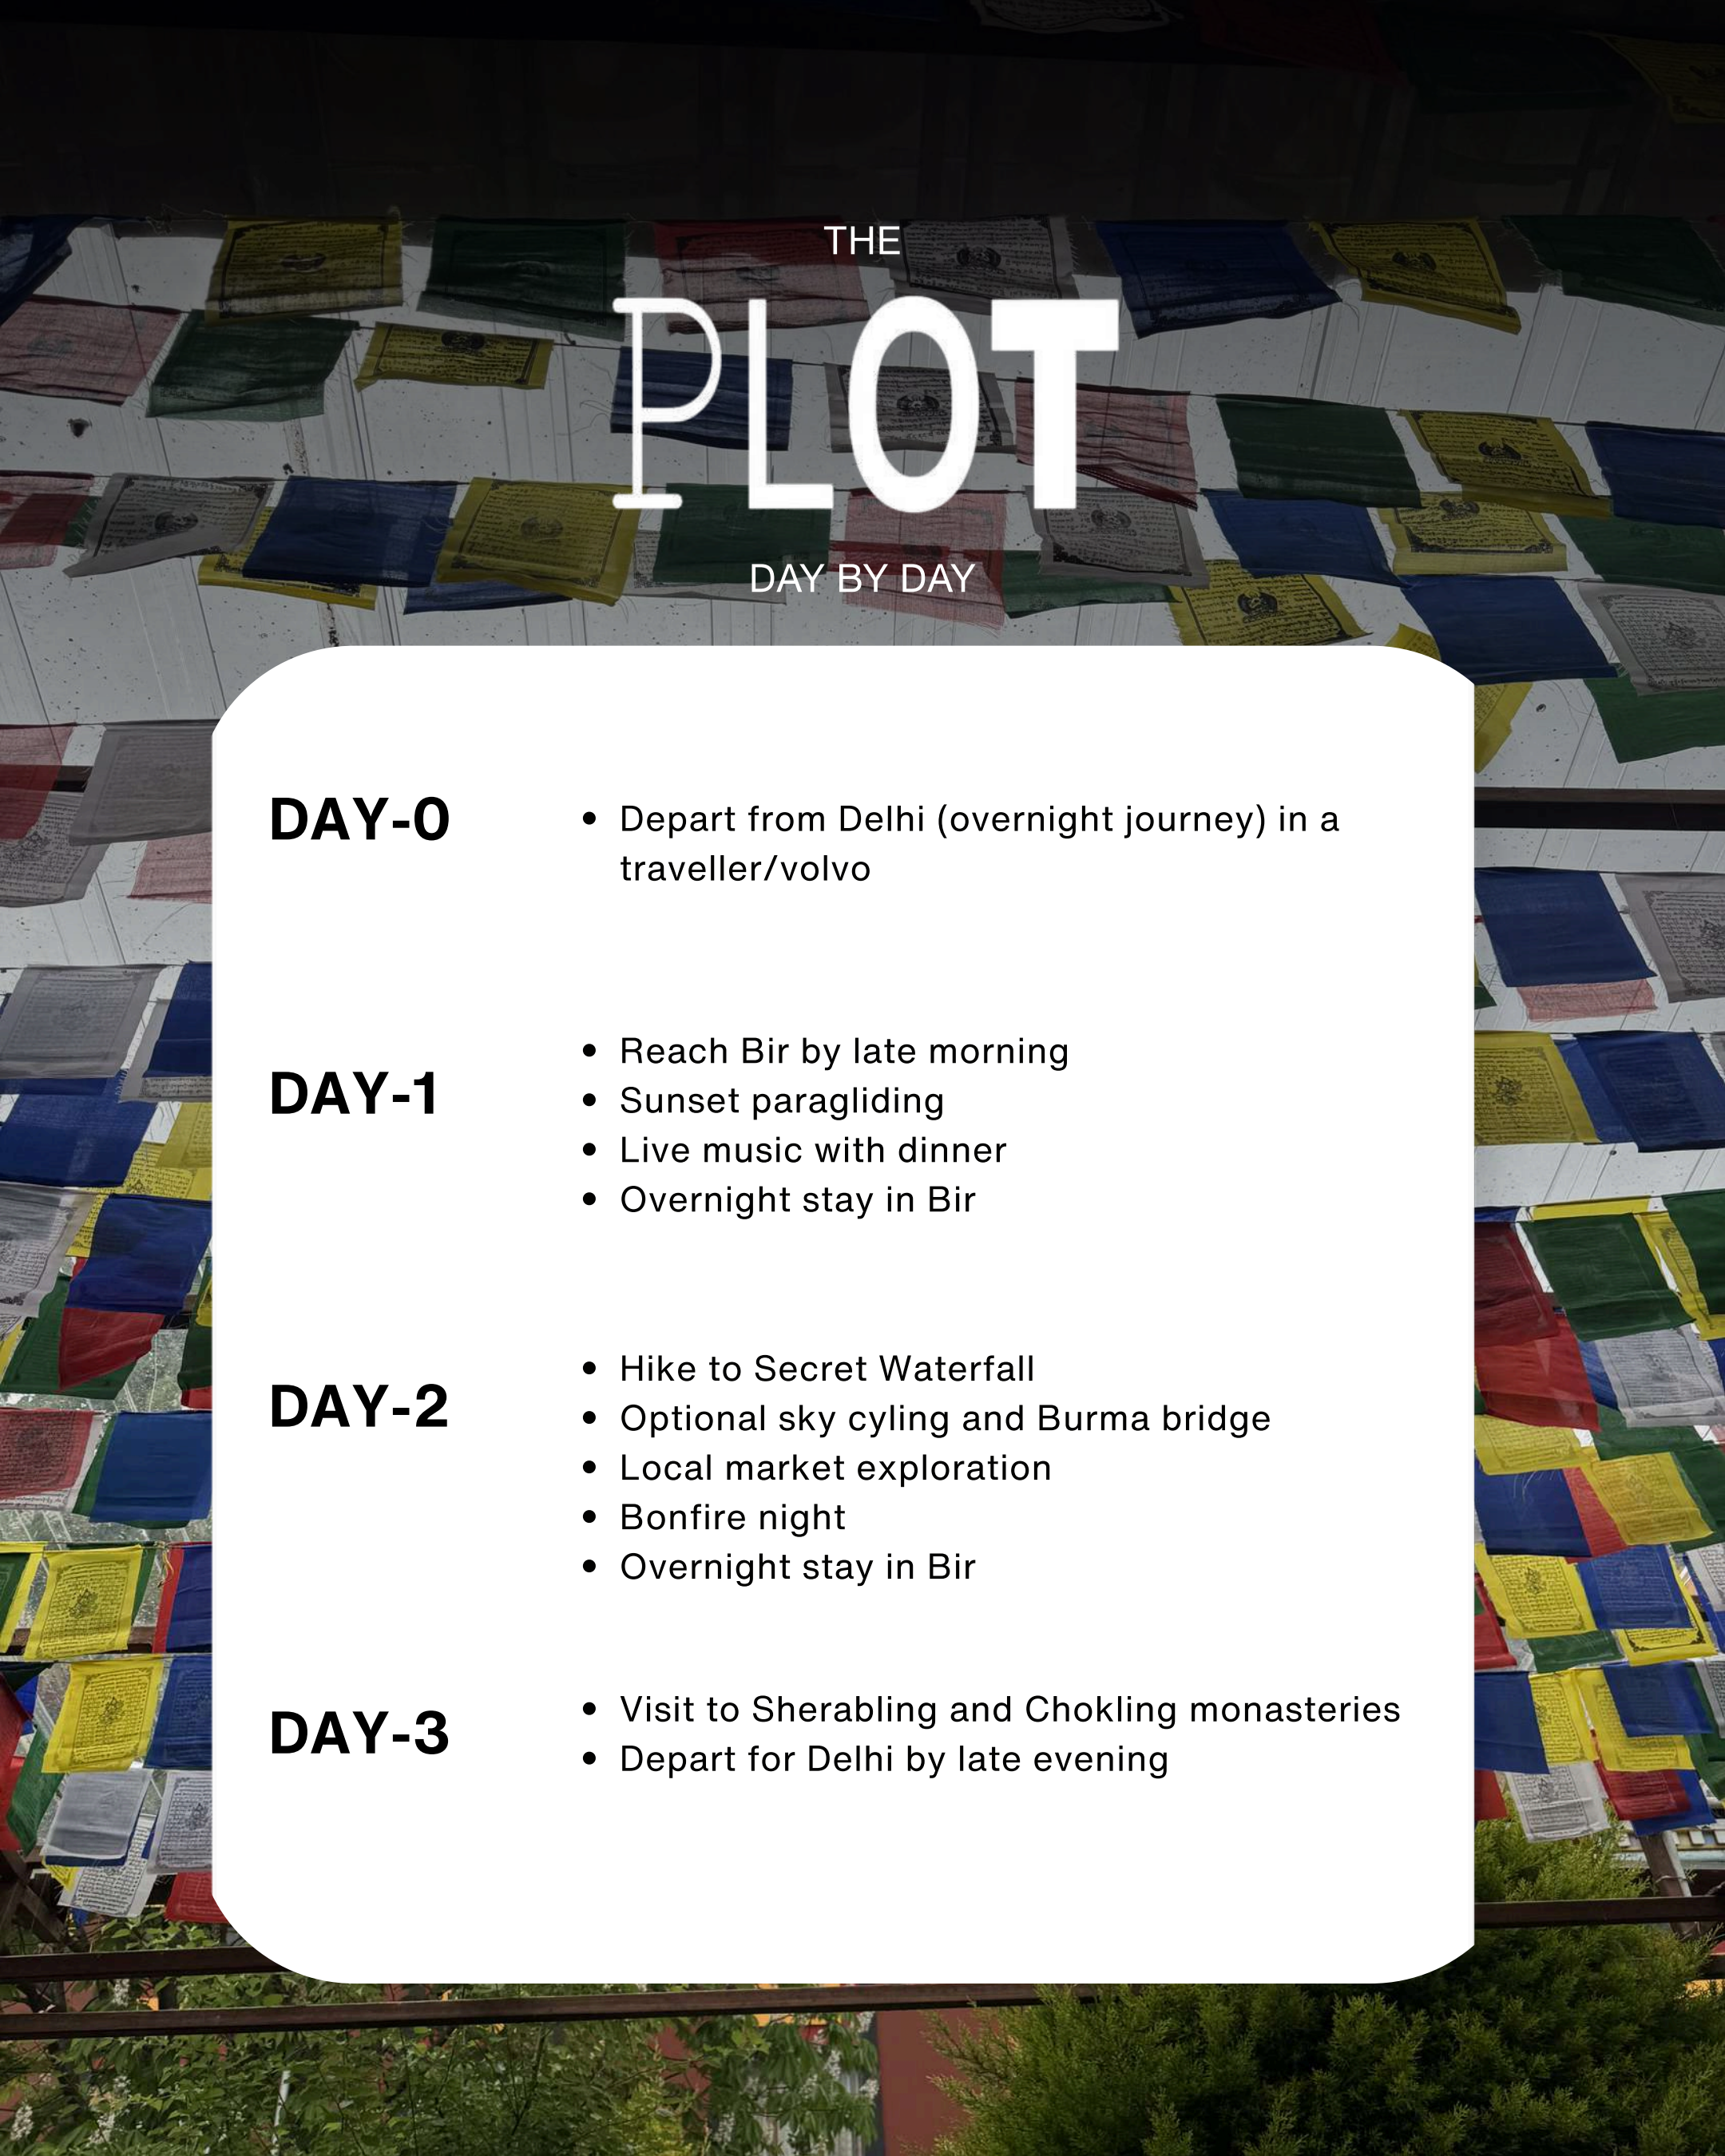

But this isn't just a trip to Bir.

It's about waking up somewhere beautiful, saying yes to something that scares you a little, finding your people somewhere along the way, and ending the day with music, conversations, and stories under the Himalayan sky.

Come for the flight.

Stay for the mountains.

Leave with a new bunch of people you somehow now call friends.

DAY 1

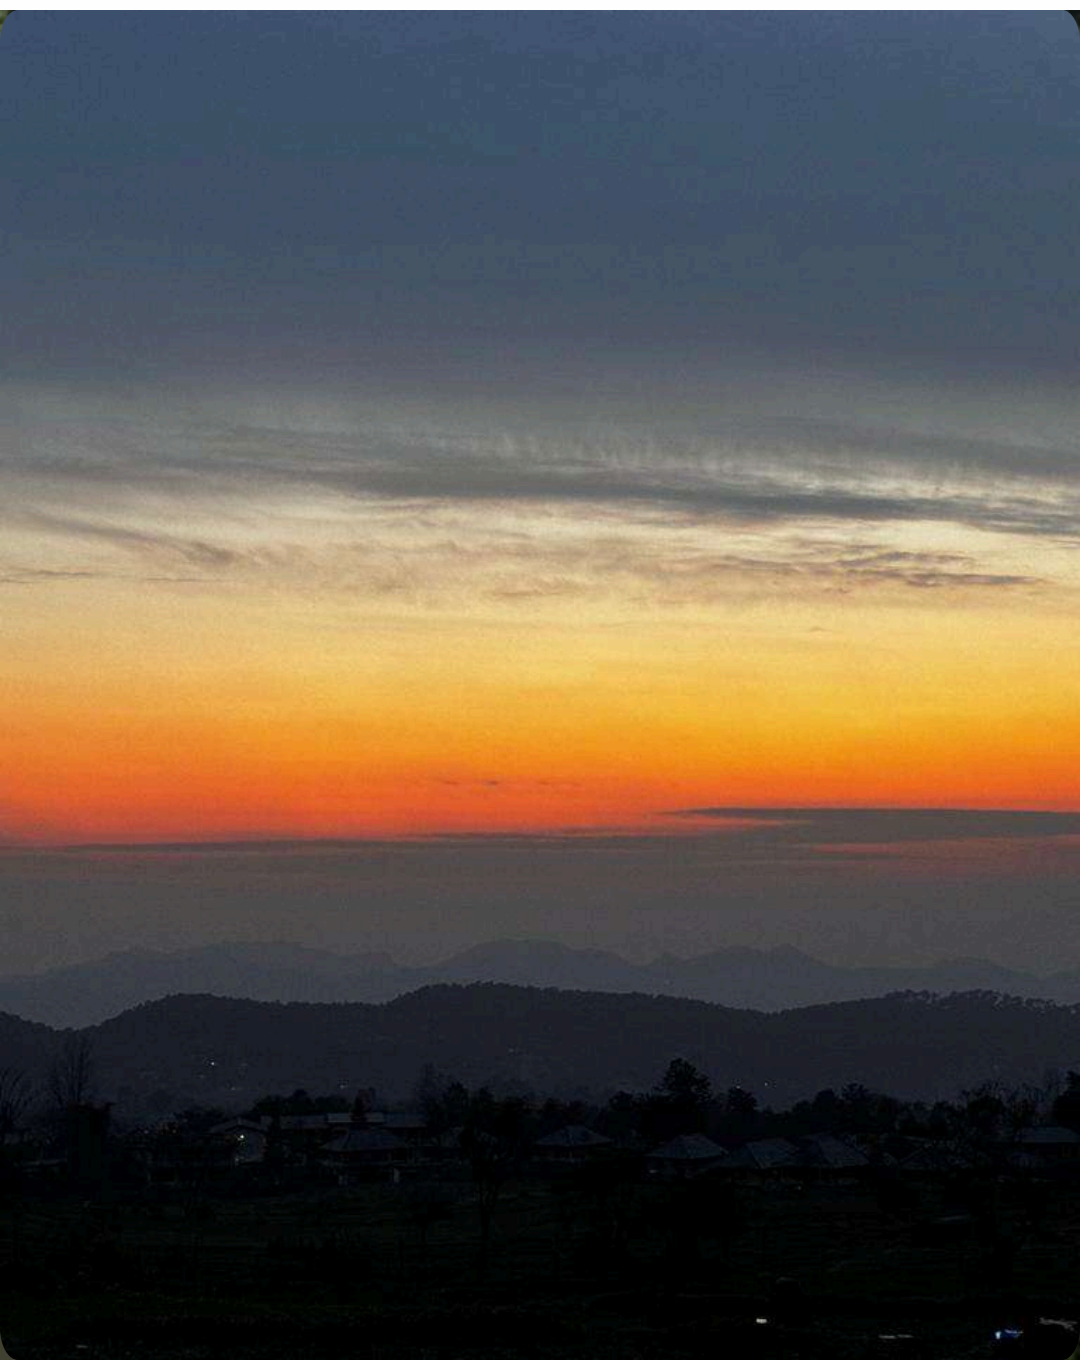

4th December

First Glimpse of Bir

We arrive in Bir and check into our hotel.

After some rest and a hearty lunch, we head out for one of Bir's most iconic experience, the sunset paragliding.

Flying over the valley with the mountains all around you is something you don't really forget.

As the sun sets, we land straight into a cozy café evening with live music, good food, and that perfect mountain vibe. The kind of night where no one checks the time.

Overnight stay in Bir.

DAY 2

5th December

Secret Waterfall & A Little Adventure

After breakfast, we head out to a secret waterfall, a hidden gem tucked away in the forests of Bir. The short hike, the sound of flowing water, and that calm all around makes it one of those places you don't rush through.

Later, for those who want to add a little thrill, you can try sky cycling or the Burma Bridge. A mix of adrenaline and views that make it totally worth it.

The rest of the day is yours. Café hopping, chilling with your people, or just sitting back and doing nothing at all.

Because honestly, that's what Bir does best.

Overnight stay in Bir.

DAY 3

6th December

Monasteries & Hidden Gems

Our first stop is the peaceful side of the mountains as we visit the beautiful Sherabling Monastery. Quiet corners, prayer flags, and that calm you don't find in cities.

From there, we head to Chokling Monastery, where the views open up and the vibe feels just right. Scenic, peaceful, and effortlessly beautiful.

We take you to a Firgun favorite joint we discovered on our previous trips. No crowds, no rush, just a place that makes you pause and take it all in.

Overnight journey back to Delhi

Reach Delhi early morning around 6 AM

Firgun is definitely about the people. **Bir** in January 2023 was my first trip with Firgun Travels and I don't think this trip could have been any better. This trip was one of the the best thing that has happened to me. As their motto says It's About the People! Not just the place, I met really beautiful people on this trip and all thanks to Firgun. From itinerary to arrangements everything was perfect. It was all about exploring the place, making new friends, some good conversation and loads of good memories. Even though I have travelled solo before but the impact that Firgun Travels has created is unmatched. We don't always know the difference a small act of kindness, a small push, a few kind words and a small effort to create safe space can create in people's lives, that's what Firgun is doing for a lot of people.

Just got back from my first ever solo trip for **BIR BILLING** — and I'm so glad I chose to go with Firgun Travels!

Everything was super well-planned, right from the stay to the activities. Got to do paragliding and it was honestly one of the most thrilling experiences of the trip!

Special shoutout to Surya, our trip leader. He made sure everyone was comfortable and having fun throughout. One of the best parts? He got all of us to play some really fun board games in the evenings — such a great way to break the ice and bond with the group. Those game nights had us all laughing like crazy!

Being my first solo trip, I didn't know what to expect, but the group was just amazing — so friendly, so easy to connect with. By the end of the trip, it genuinely felt like a little travel fam.
