LISA GOLUKHOVA
Geneva, Switzerland
+41 79 811 0603 |lisa@curated-community.com

An entrepreneur and strategic operator with a track record spanning early-stage startups, brand partnerships, and institutional organisations. Skilled in building trust with stakeholders, delivering high-impact experiences, and guiding cross-functional teams from vision to execution.

EDUCATION

University of St Andrews – Master of Science in Sustainable Development | St Andrews, Scotland | September 2022
Graduated with Upper Second-Class Honours (UK 2:1). Specialized in climate policy, environmental economics, and impact strategy.
University of Warwick – Bachelor of Arts in History of Art with Italian | Coventry, England | June 2021
Graduated with Upper Second-Class Honours (UK 2:1). Specialized in 20th-century art history, curatorial work, and visual analysis.

EXPERIENCE

CuratedCommunity – Founder & CEO | London, UK | March 2023 – Present

- Founded an AI-powered private social network facilitating how Gen Z connects through meaningful, intentional digital experiences.
- Led product development, creative direction, and go-to-market strategy from ideation to launch.
- Built and managed a cross-functional remote team across engineering, design, and community ops.
- Hosted branded and partner events, attracting 500+ attendees and boosting platform visibility.
- Secured partnerships with cultural tastemakers and early adopters to drive user growth.
- Oversaw all operations, including legal, financial modelling, and early-stage fundraising.
- Operated as a full-stack founder across strategy, execution, and brand building in an AI-native environment.

The Metropolitan Museum of Art – Curatorial Intern | New York, NY | June – August 2019

- Supported the Modern and Contemporary Art Department on research and exhibition planning.
- Managed digital records and provenance research using The Museum System (TMS).
- Coordinated artwork loans and communicated directly with private collectors and galleries.
- Contributed to gallery layout and interpretation planning for the Jacques and Natasha Gelman Galleries.

UN Climate Change Conference (COP26) – Delegate, Member of the Party | Glasgow, UK | November 2021

- Participated as an official member of a national delegation during COP26.
- Attended high-level sessions focused on energy transition, green finance, and sustainable mobility.
- Gained exposure to international policy discourse and contributed to internal briefings and discussions.
