The best new year trip!

I took a trip to **Vietnam** with Firgun, and I'd count it among one of my best decisions of 2024 (and 2025!)

Vietnam in itself is a gorgeous place, and has something to offer for everyone. It is peacefully chaotic in its own way, and it would be extremely difficult to not love the place. But the entire group made it seem so much more beautiful than I ever imagined. Bringing a group of strangers along to form a bond so wonderful - How do you do it, Firgun? Still can't believe I didn't know these people before the trip!

It was my first international trip and I made the most of it! Everything about this trip will stay in my memories forever - all the crazy fun we had, the soulful conversations, the beautiful places, and the gorgeous humans. Everyone should experience something like this at least once. Pretty sure they wouldn't want to stop travelling with Firgun after that.

Anany as a trip leader was absolutely wonderful! He has such a warm personality, and it is just very easy to have conversations with him. He made sure everyone was comfortable, and was there for every single person at all times. How does he do it with so much ease? I guess we'll never know!

To all the people who are planning to book a trip - You can explore new places with any travel company, but if you want to associate the places with great company and experiences, choose Firgun. And thank me later!

Travel. Party. Repeat.

Oct 2025 • Solo

Had one of the best travel experiences of my life with Firgun. I took a leap of faith in travelling solo to **Vietnam** with a group of strangers, but by the end of the trip we all wished to stay, for both the amazing experiences and for enjoying each other's company longer. I still miss my bunch weeks later, and am sure I've made some new friends.

A big shout out to our friend cum trip leader Kajal who made sure the itinerary was well planned and executed, pushed us for novel experiences, and made sure that people bonded with each other during the trip.

Also a big thanks to the Firgun team that helped me every step of the way and made this trip possible.

Can't wait for the next adventure!

October 25, Vietnam

Oct 2025 • Solo

I went on the October, 25 **Vietnam** trip with Firgun. As a solo female traveler, it felt super safe and comfortable. Kajal, more a friend than a trip leader, was humble and sweet. The itinerary was well curated. Firgun team was available throughout the trip booking process. They helped with the flight bookings and visa application. I had the best time of my life. Would love to plan another trip with them soon. 🍷 🌸

Vietnam x Firgun = ❤️

Trip 3 with Firgun travels:

If you ask me how my **Vietnam** trip was, I would say " *Incredible* ." But if you reallyyyy ask me how the trip was, I would say: How can I even begin to describe the craziest/most unforgettable trip I have ever had?

From day one to day ten, we outlived every single moment. Twenty strangers came together and completely took over **Vietnam**, starting on day one itself - dancing on tabletops, getting the whole street to vibe with us, enjoying shayari and game sessions, and exploring the beauty of **Vietnam**. Every single day of a trip was as fulfilling as the next, and on this trip, it is nearly impossible for me to pick a "best day" out of the ten. Every single day was packed with unforgettable memories - we laughed until our cheeks hurt, danced our hearts out, and did so much more that words alone cannot capture. Even after extending the trip, all of us felt like we could have had more days to share even more laughs and make even more memories, that is just how magical this trip was.

And where do I even start with our TL - our very own Anany? He is the most selfless, caring, and giving human. Anany truly made us feel at home, away from home. It is incredible how he managed to keep all 19 of us together, going the extra mile (alwayssss) to ensure we all had the time of our lives. His attention to every little detail, infectious energy, and constant support were the pillars that held this entire trip together. He is truly the unsung hero for all of us having a trip we can't seem to get over.

The core memories I made, the beautiful people I met (who are now my friends), and the experiences we shared will always have a special place in my heart. It has never happened before that, even after a week of returning from a trip, I feel like I haven't moved on - instead, it feels like I miss it more with each passing day. Really want to relive those days again and may be that is the magic of Firgun - even after the people part ways, we continue to hold a special place in each other's lives in the most unexpected ways. It is beautiful how Firgun makes you fall in love with life a little more. Still not sure how is it possible? - Book your next trip with Firgun and get to know the answer! :)

First International Solo Birthday Trip with Firgun

Honestly words would fall short to describe my recent trip with Firgun for **vietnam** on New Year'25. Right from the first interaction with their sales team, itinerary, accommodations, transportation and co-ordination, everything was seamlessly managed by team Firgun.

Went solo and I upon returning I almost cried as if I am leaving behind my family, such is the magic of Firgun. They make you feel comfortable and special. Right from the 1st day of the trip everybody felt so at ease with each other and the tribe was formed. The days which followed just created pure unadulterated fun. It's unbelievable that all of these 19 were sheer strangers to me just 10 days back.

Anany wasn't just our trip leader; he was the group's dedicated travel BFF. Equal parts kind, gentle, and somehow always knew who needed a pep talk or a push into the pool or just a hug! He is the reason behind the incredible bonds formed amongst everyone on the journey ❤️

Total recommended for a solo traveller.

You will experience a transformational soulful journey ✨
