

OMEGA PRESTIGE

current +10 years old with up to 125,000 miles

Exclusionary + Coverage

The Prestige Vehicle Service Contract is the most extensive factory-level exclusionary bumper-to-bumper style protection plan in the industry. There is not another Vehicle Service Contract available from any source, including the manufacturer, that can match the coverages provided - Period!

Omega Prestige covers items that other companies leave out including: air bags, safety restraints, impact sensors, catalytic converter, exhaust and emission components, struts, shocks, coil and leaf springs, OEM hands-free voice activated accessories, back up camera and sensors, video display screen, blind spot sensors, OEM Wi-Fi/Bluetooth integrated router, USB ports, entertainment systems and even high tech components.

And with Omega Prestige, there are no surcharges for 4x4, Turbo/Supercharger, Diesel Engines or Lift Kits.

OMEGA PREMIER

current +10 years old with up to 125,000 miles

Exclusionary Coverage

The Premier Vehicle Service Contract provides factory-level, exclusionary bumper-to-bumper style protection for new and used vehicles.

Covering all of the major vehicle components except for what is listed in the "What Is Not Covered" section of the contract, provides years of worry free vehicle ownership.

Omega Premier also offers an **UNLIMITED MILEAGE** policy for qualifying vehicles!

OMEGA POWERTRAIN

current +20 years old with up to 200,000 miles

ENGINE: Cylinder block and cylinder heads and all internally lubricated parts; harmonic balancer; timing gear; chain and belt; timing cover; intake manifolds; valve covers; oil pan; water pump; engine mounts; belt tensioners; cam gear bolt; harmonic balancer bolt; and head bolts.

TURBO / SUPERCHARGER: (factory installed only); Turbocharger / Supercharger housing and all internally lubricated parts.

TRANSMISSION: Transmission case and all internally lubricated parts; torque converter; flywheel/flex plate; vacuum modulator and transmission mounts; transmission cooler; transmission oil pan; and Transmission Control Module (TCM).

TRANSFER CASE: Transfer case and all internally lubricated parts.

DRIVE AXLES: Drive axle housing and all internally lubricated parts; 4X4 actuator; drive shafts; universal joints; constant velocity joints and locking hubs; center support/carrier bearings; and differential cover.

HYBRID: Hybrid transaxle; electronic transmission; inverter; generator(s) and electronic display monitor. Batteries are excluded.

SEALS AND GASKETS: Leaking seals and gaskets on any covered part listed above. After 150,000 miles, seals and gaskets will be covered only if required in conjunction with a covered repair. (**Powertrain + covers seals and gaskets over 150,000 with surcharge**).

INCLUDED BENEFITS AT NO COST

\$600 TRIP INTERRUPTION: up to \$200 per day for up to 3 days

\$350 SUBSTITUTE TRANSPORTATION: up to \$50 per day for up to 7 days

24/7/365 ROADSIDE ASSISTANCE: Towing, Flat Tire, Fluid Delivery, Lock Out, Battery

OMEGA COMPREHENSIVE +

current +20 years old with up to 175,000 miles

Comprehensive + includes all of the coverages listed in Powertrain and the following:

AC / HEATING: (factory installed only) Condenser; condenser fan; condenser fan motor; compressor; compressor clutch and coil; evaporator; compressor pulley; accumulator; receiver; dryer; expansion valve; idler pulley; A/C controls and module; heater core; blower motor; high/low cut off switch; pressure cycling switch; and orifice tube.

SUSPENSION: Upper and lower control arm shafts; bearings and bushings; wheel bearings; spindles; ball joints; kingpins and bushings; radius arm and bushings; stabilizer bar; arm and bushings; strut and strut insert; torsion bars; hub assembly; coil springs; trailing arms; leaf springs; and suspension level control compressor.

STEERING: Steering gear box/rack and all internally lubricated parts; power steering pump; pitman arm; idler arm; tie rod ends; drag link; steering column shaft and column couplings.

FUEL SYSTEM: Fuel delivery pump; fuel injection pump; fuel injectors; fuel tank; metal fuel lines; fuel pressure regulator; fuel sending unit; fuel gauge; air control valve; engine control module (ECM) and fuel injection sensors; fuel level sending unit; and primary fuel pump.

COOLING SYSTEM: Radiator; cooling fan; cooling fan motor; oil cooler; fan clutch; coolant recovery tank; cooling fan blade; thermostat; and heater control valve.

BRAKE: Master cylinder; power brake cylinder; vacuum assist booster; calipers; wheel cylinders; compensating valve; anti-lock brake sensors; hydraulic lines and fittings; parking brake actuator; rear actuators; ABS control module; ABS pump; ABS sensors; ABS accumulator; ABS motor; and brake booster.

ELECTRICAL: Alternator/generator; ignition coil; horns; distributor (does not include cap and rotor); starter motor; starter solenoid; starter drive; windshield wiper motors; windshield wiper delay switch; windshield wiper linkage; windshield washer pump; power seat motor; power antenna motor; power window motors and regulators; power door lock actuators; power trunk release actuator; wiring harness; cruise control assembly; ignition lock cylinder; manually operated switches (excludes AC/Heating and audio/video switches); convertible top motor; driver information gauges (excludes burned out light bulbs); electronic instrument cluster; electronic level control compressor; electronic level control sensor; electronic off headlamp sensor; power mirror motor; power sunroof motor; engine control unit (ECU) and engine control module (ECM).

ENTERTAINMENT: (factory installed only) DVD / VHS players; CD / Cassette players; navigation equipment; video systems; AM / FM radio; SAT radio; antenna motor; and CD changer (excluding speakers and graphic equalizer).

SEALS AND GASKETS: Leaking seals and gaskets on any covered part listed above.

HIGH TECH: (available with surcharge and factory installed only) Back up camera and sensors/perimeter warning; display screen; GPS Navigation systems; blind spot sensors; electronic driver information display; anti-theft systems (excludes remote); parking assist; keyless access system; remote start system; WiFi module; Bluetooth system; collision avoidance system and rear entertainment system.

OMEGA COMPREHENSIVE

current +20 years old with up to 200,000 miles

Comprehensive includes all the coverages listed in Powertrain and the following:

A/C: (factory installed only) Condenser; compressor; compressor clutch and coil; evaporator; accumulator; dryer; expansion valve; condenser fan; condenser fan motor; and orifice tube.

ELECTRICAL: Alternator/generator; A/C blower motor; starter motor; starter solenoid; starter drive; horns; windshield wiper motors; windshield washer pump; power antenna motor; power window motors; window regulators; power door lock actuators; power trunk release; and all manually operated switches.

COOLING SYSTEM: Cooling fan; cooling fan motor; and fan clutch.

FUEL SYSTEM: Fuel delivery pump; fuel injection pump; metal fuel lines; fuel pressure regulator; fuel sending unit; and fuel gauge.
