1. AGENCY

The Fresno Center (TFC) is a non-profit organization that was established in the past 30+ years, serving the community of Fresno County. TFC offers 20 different support services that include mental health, wellness, and healing, from immigration to education advocacy to clinical behavioral services to holistic wellness services. TFC is the one-stop shop that promotes cross-cultural understanding and cultural preservation. Eight of our 20+ programs focus on mental health services (Horticultural Therapeutic Community Centers Program, Living Well Center, Holistic Wellness Program, California Reducing Disparity Project, Central Valley Regional Center Latino and Southeast Asian Navigator Program, and Kaiser Community Benefits Program). Our motto is to “Inspire, Empower, and Cultivate”. Our commitment is to equip staff with the best training and practices to develop and maintain client loyalty and be the employer of choice in the Central Valley.

The Fresno Center’s Mission Statement: To assist individuals in becoming self-sufficient, self-fulfilled and productive members of the community while fostering cultural preservation and promoting cross cultural understanding.

The Fresno Center’s Vision: The Fresno Center will be a champion for positive change through empowerment, education, and collaboration.

2. THE PROGRAM

TFC ADHC is a licensed adult facility that is approved by the state to provide a medical model of care to Medi-Cal beneficiaries through an out-patient day program for older persons and adults with chronic medical, cognitive, or mental health conditions and/or disabilities that are at risk of needing institutional care.

TFC ADHC provides a variety of licensed professionals, including nurses, social workers and physical, speech and occupational therapists, focus on medical, prevention, and social care to improve health outcomes for high cost / high risk patients. Also provided are activities, personal care, hot meals, nutritional counseling, and transportation to and from the center.

The objective is to restore or maintain optimal capacity for self-care to frail elderly persons or adults with disabilities; and delay or prevent inappropriate or personally undesirable institutionalization. TFC ADHC emphasizes partnership with the participant, the family and/or caregiver, the primary care physician, and the community in working toward maintaining personal independence.
