GETTING TO AND FROM THE AIRPORT

Getting to the city center by bus

There is a direct bus service from Vilnius city to Vilnius Airport. The journey takes approximately 20 minutes to reach the city center.

One can buy a ticket by paying with a contactless debit or credit card. It costs 1.25 euros and is valid for 60 minutes.

Bus routes include:

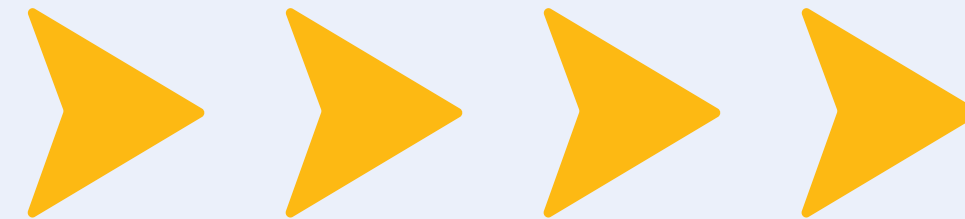

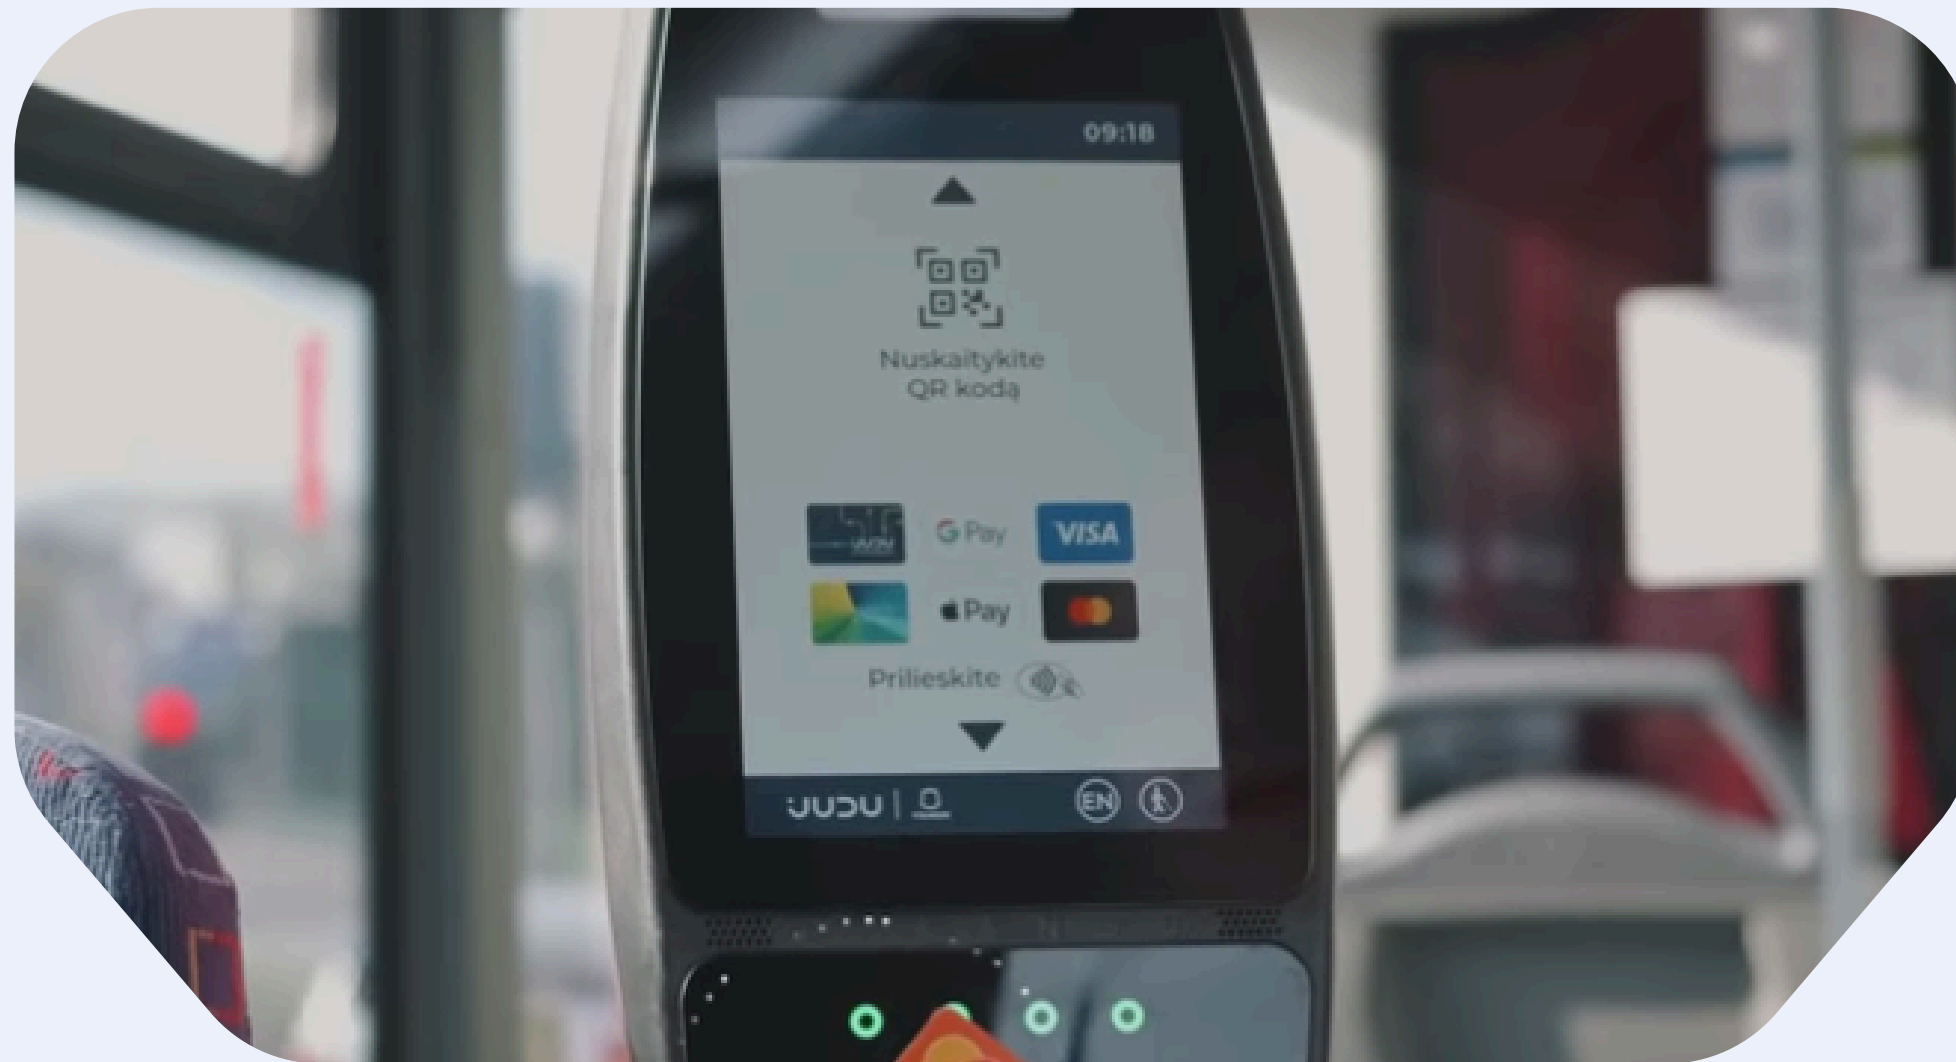

- Buses – marked with a blue bus icon - 1, 2 and 88
- Express bus – green bus icon with the letter “G” - 3G
- Night bus – black bus icon with the letter “N” -88N and N8

If your regular flight is late in the evening or early in the morning, we recommend using the 88N night bus, which runs every evening on the route “Airport – Center – Europos Square.” This bus runs every night from 10:30 p.m. to 5:30 a.m. The same ticket prices apply as during the day. Please note that the express bus ticket costs the same as the regular bus ticket.
