Finding our voice in prayer

Prayer is an absolute essential of every congregation's life and witness. However, long standing patterns of organising and gathering to pray together are proving challenging to sustain. One of the impacts of this is that new believers have never had the opportunity to find their voice in prayer, while more established followers of Jesus may have lost their confidence in praying with others.

Once a month (6<sup>th</sup> October) we encourage you to join with us at 6.30pm in Meeting Room 2 where we will be using "Finding our Voice in Prayer" as a resource to help re-establish prayerfulness and experiment in fresh ways of engaging in prayer.

Samaritans Purse

When we see the devastation around the world caused by war and weather, it's amazing that a simple shoe box can bring such joy into a child's life. Not only through the practical gifts but also through the message of hope of the Gospel of Jesus Christ.

It is in this capacity that Samaritans Purse excels. If you'd like to know more about their ministry, check out their website.

We can be a part of it by filling a box or boxes. Preprinted boxes available in vestibule (50p each). Please also take a leaflet with instructions on how to fill box.

It is also possible to fill a box online at Samaritans Purse.

Would be wonderful to have all 100 boxes filled!

Closing date for receiving filled boxes will be Sunday 10th November. Any questions ask Helena. Thank you so much for your participation.
