(5) Unless otherwise classed, exotic vehicles such as: Alfa Romeo, Aston Martin, Bentley, Bugatti, Ferrari, Koenigsegg, Lamborghini, Lotus, Maserati, Maybach, McLaren, Opel, Pagani, Peugeot, Renault, Rolls-Royce, etc. (6) Vehicles with a branded title (e.g. salvage, junk, rebuilt, total loss, flood, or fire). This exclusion doesn't apply to a vehicle manufactured for sale outside the United States if "Non-USA" or "Gray Market" is the only brand on the title and if the Gray Market Vehicle surcharge was available, selected, and paid at the time this contract was sold. (7) Any vehicle with an odometer that has been tampered with, altered, disconnected, or not maintained. (8) Vehicles used - or previously used - for exhibition, racing, competitive driving, municipal services, professional emergency services, police services, or towing loads weighing in excess of vehicle manufacturer's specifications. (9) Vehicles altered, modified or used in a manner not recommended by the manufacturer, including the use of "non-stock" or modified parts. Failures caused by modified suspensions are not excluded if the Lifted/Lowered Vehicle option was available, selected, and paid at the time this contract was sold, but all parts used to lift or lower the Vehicle are not covered in any instance. (10) Snowplows, snowplow equipment, and snowplow accessories. (11) Recreational Vehicles [RVs]. This exclusion doesn't apply if all of the following conditions apply: (a) the vehicle is a Gray Market vehicle, (b) the manufacturer's warranty was revoked, voided, or cancelled because the vehicle is a Gray Market vehicle, and (c) the Gray Market vehicle surcharge was available, selected, and paid at the time this contract was sold. (15) Vehicles registered outside of the United States. (16) Any Make/Model not specifically listed as eligible.
