

Authorisation

We, the duly undersigned, authorise and commission the company

Rieder Smart Elements GmbH & Co KG
Glemmerstraße 21
AT-5751 Maishofen

on our behalf and on our account and risk, to commission transport services for the goods which we purchase from companies of the Rieder Group in accordance with the following conditions:

- We become a direct contractual partner of the transport company.
- For the sake of simplicity, the transport costs are billed through Rieder Smart Elements GmbH & Co KG or the Rieder company the contract was concluded with, for which purposes the transport company has assigned its remuneration claims to Rieder Smart Elements GmbH & Co KG or the Rieder company the contract was concluded with; however, the contract with the transport company regarding the transport services shall be concluded on our account.
- Due to the direct contractual relationship with the carrier, we are exclusively responsible for handling any complaints and losses, such as damage, delays, downtimes, etc., and we reserve the right to do so directly. Rieder Smart Elements GmbH & Co KG or the respective Rieder company the contract was concluded with is not entitled to make any legally binding statements or agreements in this regard.

It is agreed that Rieder Smart Elements GmbH & Co KG or the respective Rieder company the contract was concluded with will charge the authorising party a surcharge of 15 % of the shipping costs for the services described above.
