UX Designer with 2 years of experience from three long-term internships. Skilled at collaborating with cross-functional teams to translate user research and metrics into high-fidelity wireframes, prototypes, and scalable design systems that elevate brand identity.

Experience

UI/UX Design Intern | Future Standard

04/2024 – 09/2024

- Led user research through structured interviews and surveys to identify website pain points
- Designed key web pages visited by ~2,400 people weekly and presented to cross functional teams
- Delivered weekly website analytics reports, highlighting key insights on user activity
- Built an email design system in Figma, reducing time for creating email mockups by 70%

UI/UX Design Intern | Agilence Inc.

04/2023 – 02/2024

- Aligned the product, marketing, customer success, and engineering teams on design solutions to improve product features (ex. report building for loss prevention management, widget-building, surveillance camera interfaces) for over 200 retail clients, including CVS, L'Oréal, and Five Below
- Established a design system for the analytics software, reducing prototyping time by 50%

Graphic Design Intern | Night Kitchen Interactive

03/2022 – 09/2022

- Designed high-fidelity prototypes for civic and cultural clients, including the City of Camden
- Created visual assets and iconography in Figma, Photoshop, and Illustrator for clients including the Smithsonian Air and Space Museum and African American Veterans Monument

Projects

UI/UX Designer | CalmBridge

09/2025 – 12/2025

- Devised core product features and designed low to mid-fidelity prototypes for an AI powered mental health app for psychologists and their patients to manage the patients' mental health activity

UI/UX Designer | Juncture

08/2024 – 05/2025

- Led UX design by building a design system and creating wireframes and interactive prototypes for a social event planning app while also developing a brand identity and marketing materials
- Synthesized user research and usability testing findings to devise impactful design changes

Education

B.S. in User Experience and Interaction Design, Minor in Data Science

2021-2025

Drexel University | Philadelphia, PA | Dean's List 2021-2025

Vice President, Secretary | Drexel CHI UX Club

06/2022 – 06/2024
