Cyphr

Fund

Schedule Demo

Fund is a ready-made SaaS lending platform.

For your customers. Offer the convenience of applying for capital and grants online. With a responsive landing page, customers can access it effortless from any device, ensuring a seamless omnichannel experience.

For your business. Boost efficiency with an all-in-one, scalable back office to process, screen, verify, and manage new applicants. Maximzie staff efficiency, reduce costs, and gain operational flexibility.

Cyphr

Flex

Schedule a Demo

A set of prebuilt components that can be adapted to your business needs. Launch a new product or digitize and transform your current process in 45-60 days.

Flex is fully configurable, meaning we use our modules to build technology for your workflows, not around them, and not from scratch. Break monolithic architecture into microservices & leverage the benefits of an always updating tech stack.

● **Authenticity Score 90/100:** We did not find evidence of tampering/fraud on this document.

● **Authenticity Score 50/100:** We recommend manually reviewing this document as suspicious signals were found.

- W2 key dates tampered: high confidence
- W2 incorrect taxes/wages computed: medium confidence
