## **MACHINE LIST**

## Accepting a Machine Visit

When you select a site, you'll see the Machine List, which shows the machines to be visited on your route.

Each machine will be listed with its Machine Reference, Machine Name, and Visit Type.

ш	Stock	Accept

To view machine details, select the Machine Name. This will display information including the Machine Type, Serial Number, and onsite location.

<ul><li>← Machine Details</li></ul>			
Name: Machine Name 1			
Machine Reference: Machine Name 1			
Machine Type:			
Serial Number:			
Onsite Location:			
Date Installed: 26/09/2023 00:00			
Last Cash Up: 03/10/2023 13:21			
Last Visit: 03/10/2023 13:21			
Key Number:			

## Accepting a Machine Visit

On the Machine List, select the ' $\checkmark$  Accept' box to mark the visit as started. This will open the visit sheet for the machine.

<i>~</i>	Site Reference 1	
	Machine N Machine N	
	Stock	Accept

Selecting the back arrow in the top left of the Site Details will return you to Today's Visits.

If you navigate back to the Machine List after arriving at a machine, the arrow will be replaced by '**Accepted**'.
