PROFILE

Thoughtful and driven UX Designer with a passion for crafting intuitive, impactful digital experiences. Skilled in identifying user pain points, streamlining workflows, and collaborating across teams to deliver practical, effective solutions. Always ready to dig deeper to create seamless, meaningful interactions that balance business goals with accessibility standards.

EDUCATION

Aug 2022	Belmont University
May 2026	Bachelor of Fine Arts in Experiential Design, Watkins Art College

WORK EXPERIENCE

Aug 2025	Experience Designer
Dec 2025	Reevo Creative Design Agency
	Developed branding and merchandise designs for three clients with a creative team. Integrated user research and feedback with clients to target company goals and create engaging products.
Feb 2023	Technical Operations
Dec 2025	OSVES, Belmont University
	Adhered to event guidelines and procedures by arranging technical needs with a team of professionals. Operated with event coordinators and clients to meet user needs.
June 2025	Design Intern
Sept 2025	Austin Free Press
	Published a fresh and effective yearly review concept covering the progress of the company's projected goals. Proposed branding logo changes and web layout changes for better engagement.
