Reya Midha

2025

Hi there!

I'm Reya

Aspiring UI/UX Designer/Developer

Exploring the world of UI/UX design, passionate about improving digital experiences. I enjoy understanding how people interact with tech and constantly seek ways to sharpen my skills.

About Me

Hi! I'm Reya Midha, an 18-year-old from Bangalore, India.

In my free time, I love playing the piano—it's a great way to relax and get creative. I'm also a big animal lover and enjoy spending time with them. Reading philosophical books helps me think more deeply about life, while walks give me a chance to clear my head and come up with new ideas. Baking and cooking are other hobbies I enjoy, as they let me try out new recipes and experiment in the kitchen.
