Established in 2001, Ad-ink Plaza inc has built a reputation for exceptional quality and outstanding customer service. We offer a wide range of signage solutions, including acrylic, aluminum, and stainless steel, alongside LED, neon, and other materials. Our commitment to exceeding expectations has earned us the trust of businesses across various industries, including stores, restaurants, and corporate clients. Let Ad-ink Plaza

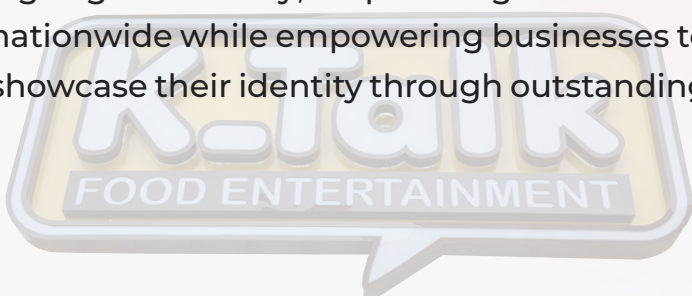

ABOUT US

Our mission is to deliver innovative and high-quality signage solutions that enhance brand visibility and provide lasting impact. We are committed to combining skilled craftsmanship with premium materials, ensuring that every project meets the highest standards of durability and design. Through exceptional service and dependable after-sales support, we strive to build long-term relationships with our clients and help businesses across the Philippines communicate their brand effectively.

MISSION

To be leading signage fabrication company in the Philippines, recognized for our expertise, commitment to quality, and customer focused approach. We aim to continuously innovate and set new standards in the signage industry, expanding our reach nationwide while empowering businesses to showcase their identity through outstanding

SIGNAGE

Ad-Ink Plaza, signage includes the creation and installation of various types of signs such as billboards, banners, and directional markers. These signs serve to effectively communicate ideas, promote products or services, provide directions, and enhance the overall aesthetic appeal of any environment.

LASER CUTTING

Ad-Ink Plaza specializes in creating custom, dimensional cutout signs using state-of-the-art laser cutting technology. This precision technique allows for the production of intricate designs and detailed patterns, enhancing visual communication and elevating brand image. The team provides expertise for delivering exceptional, differentiated results for both simple logos and complex artwork.
