Situation Report III

68
Deaths Confirmed

4
Worst Affected Districts

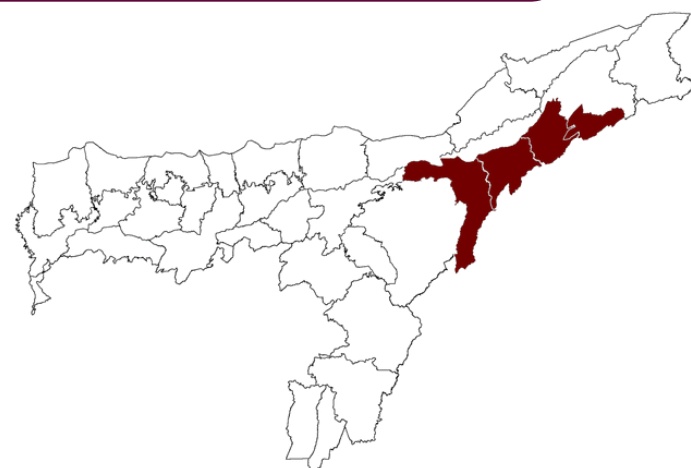

37,724+
People sheltered in Relief Camps

5,24,000+
People Affected

CURRENT SITUATION

- As per ground verification, approximately **26,400 flood-affected families** require urgent humanitarian assistance, including 21,000 families in Sivasagar, 2,400 families in Jorhat, and 3,000 families across Golaghat and Charaideo districts.
- The death toll has risen to 68. Over 5.24 lakh people remain affected across Charaideo, Golaghat, Jorhat, Nagaon and Sivasagar. Sivasagar is now the worst-affected district with nearly 1.9 lakh people impacted. 354 relief camps and distribution centres are operational across four districts, sheltering 37,724 people.
- The focus is on relief distribution, power restoration and medical deployment, with air-drops continuing in inaccessible areas. However, breached embankments and shallow waters are hampering both boat and vehicle access in several villages.
- As waters recede, a public health crisis is emerging in areas like Dergaon, with stagnant water, waste, snake infestations and disease risk. Residents are urgently calling for disinfectants, bleaching powder and health camps.

ON-GOING RESPONSE

- Supported community-led initiatives and flood-affected families with
 - dry rations for community kitchens and essential non-food items (NFIs) in the Sivasagar district to at least 100 tea garden families
 - shelter materials and dry rations for families in Sivasagar district.
 - hygiene and shelter kits for 500 families in Golaghat district, with support from Donatekart.
 - dry ration materials and essential NFIs for 100 families (50 families each in Sivasagar and Jorhat districts).
 - relief kits for 1,500 families (approximately 9,000 individuals) in Dhemaji district through the LOCAL network.
- Coordinating with the Assam State Emergency Operations Centre (SEOC) to complement response efforts with drone-enabled search and rescue support and rapid needs assessments under HAI's Tech4Aid initiative.

This Situation Report has been prepared by Humanitarian Aid International (HAI), an Indian organisation specialised in disaster response and management. HAI is a member of the [Local Organisations' Coalition for Advancing Localisation](#) (LOCAL), a collaborative platform comprising 27 organisations with an operational presence across 18 states in India. Contributions can be made to HAI's Saarathi pooled fund.

IMMEDIATE PRIORITIES

AT LEAST 30 PORTABLE TOILETS

**SOLAR LIGHTS
FOR AT LEAST 5000 FAMILIES**

**NFI & HYGIENE KITS FOR AT LEAST 5000
FAMILIES**

SHELTER FOR AT LEAST 1000 FAMILIES

DRONE ASSESSMENT OF AT LEAST 400 SQ.KM

- Emergency Response : INR 35,00,000
- Drone Deployment : INR 15,00,000
- Early Recover : INR 75,00,000

Proposed Amount : INR 1.25 Cr
