Rules and Guidelines

General Rules

- 🎮 **Team Composition:** Teams must consist of 3 to 5 members.
- 🎮 **Game Theme:** The theme for the game will be revealed at the commencement of the Gameathon.
- 🎮 **Gender Requirement:** At least one female member is mandatory in each team.
- 🎮 **Game Submission:** Teams are required to submit their games prior to the established deadline.
- 🎮 **Originality:** All games must be original creations by team members.

Rules and Guidelines

Game Development Rules

- 🎮 **Creativity:** Assessment of originality and creativity in the game concept.
- 🎮 **Gameplay:** Evaluation of the fun factor, engagement level, and overall gameplay experience.
- 🎮 **Graphics and Sound:** Quality of visual and audio elements, including graphics, sound effects, and music.
- 🎮 **Technical Merit:** Consideration of technical achievements, including programming, game engine usage, and optimization.
- 🎮 **Theme Integration:** Analysis of how effectively the game reflects the Gameathon theme.

Rules and Guidelines

Submission Guidelines

- 🎮 **Game File:** A playable game file must be submitted (e.g., executable, APK).
- 🎮 **Game Description:** A brief description of the game, outlining gameplay and features, is required.
- 🎮 **Team Information:** Teams must provide the names and contact information of all members.

Judging Criteria

- 🎮 **Creativity:** Assessment of originality and creativity in the game concept.
- 🎮 **Gameplay:** Evaluation of the fun factor, engagement level, and overall gameplay experience.
- 🎮 **Graphics and Sound:** Quality of visual and audio elements, including graphics, sound effects, and music.
- 🎮 **Technical Merit:** Consideration of technical achievements, including programming, game engine usage, and optimization.
- 🎮 **Theme Integration:** Analysis of how effectively the game reflects the Gameathon theme.
