# INTRODUCTION

In the past four years, I have had the privilege of working on various audiovisual projects, ranging from music videos to short films and commercials. My involvement in these projects has allowed me to take on key roles such as director, art director, producer, and gaffer, among others, which has enriched my knowledge and experience in different aspects of film production.

# MIL YARDAS

This was my first short film as a co-director alongside my colleague Fernando Monteleone, selected for the official short film section of the Málaga Film Festival 2024. It was an exciting project that allowed me to learn a great deal about myself and grow both personally and professionally, especially patience, team building and honesty with your colleges.
