SERVING INDUSTRY FOR OVER 40 YEARS

We are in the business of manufacturing and supplying industrial keys for over 4 decades and being associated with prestigious customers like Canara Standard Keys, an ISO 9001/ TS16949 company as their major vendor. We have now decided to directly market the product and expand our services to larger customer base.

DELIVERING QUALITY PRODUCTS:

We strive to be the leading Industrial Key Manufacturer. Our mission is to deliver high quality products and help our customers meet their product requirement and schedule.

Proprietrix: Beryl Janardhan

Dear sir

KIND ATTN : MANAGER/ MATERIALS/ PURCHASE/ PROCUREMENT
Subject : SUPPLY OF INDUSTRIAL KEYS

We like to introduce ourselves as manufacturers of industrial keys at Bangalore.

Even though we are functioning for last 40 years, we refrained from marketing our products directly to customers, as Mr. Janardhan, Proprietor, JB Industries was ex-employee of M/S Canara standard keys, and we were their major vendor catering services like surface grinding, milling etc for final operations and also for complete manufacturing of keys.

You are aware that Canara Standard Keys was the biggest manufacturer of keys in South India for last few decades. Now that Canara has wound up their operations, we have decided to market our products directly.

PRODUCTS	Woodruff and parallel keys as per DIN standard, material used EN8D, keys with radius single end and both ends, flat end keys, gibhead keys, taper keys and other keys as per your specification. other machined components involving grinding, milling, turning and heat treatment.
EXPERIENCE	Functioning for last 40 years catering quality product.
