Rua Leônida Reimann Trotti nº 344 - Parque Via Norte - Campinas/SP

Fone: +55 (19) 33974671

Safety Data Sheet (SDS).

Document No.: EC 00004

Publication Date: 04 -17- 2024

Version: 1.30

Document Status: PUBLISHED

1 - COMPANY AND PRODUCT IDENTIFICATION

ECOWAY SUSTAINABLE TECHNOLOGY

ADDRESS: Rua Leônida Reimann Trotti, 344 - Parque Via Norte

Campinas/SP

PHONE: +55 (19) 4141-5306

Product Trade Name:

Crystal Glaze - High gloss sealer resin.

Product Identification Code: ECOW67 – 1 Liter

2 - COMPOSITION AND INFORMATION ON INGREDIENTS

Component Name	CAS No.	Percentage
Titanium dioxide	13463-67-7	xxxxx
Silicon dioxide	60676-86-0	xxxxx
Isoparaffinic hydrocarbons	6474-47-8	xxxxx

3 - IDENTIFICATION OF HAZARDS

Symbols for Labels:

NONE

Hazard Statements for Labels:

AS APPLICABLE LEGISLATION - ANVISA STANDARD FOR SANITIZERS

Safety Statements for Labels:

KEEP OUT OF REACH OF CHILDREN AND PETS.

4 - FIRST AID MEASURES

Eye Contact:

- Rinse eyes with plenty of water. - If any symptoms/signs persist, seek medical attention.

Skin Contact:

- Wash affected area with soap and water. If symptoms occur, seek medical attention.

Inhalation:

- Remove person to fresh air. If any signs/symptoms occur, seek medical attention.

Ingestion:

- Do not induce vomiting. Seek medical attention immediately. Give two glasses of water to the victim. Never give anything by mouth to an unconscious person.

5 - FIRE FIGHTING MEASURES

Appropriate Extinguishing Media:

- Use chemical powder or carbon dioxide extinguishers.

Hazards from Exposure During Fire:

- No fire or explosion hazards are anticipated.

Fire Fighting Procedures:

- Use complete protective equipment (accessories, clothing) and a self-contained breathing apparatus (SCBA).

6 - SPILL OR LEAK CONTROL MEASURES

Individual Precautions:

- Use appropriate mask (self-contained facial breathing).

Measures to Take in Case of Leakage:

- Ventilate the area with fresh air. - Collect as much spilled material as possible. - Clean up the residue. Collect the resulting solution residue for cleaning. - Place in a closed container approved for transport by appropriate authorities.

7 - HANDLING AND STORAGE

Storage Requirements:

- STORE ONLY IN THE ORIGINAL PACKAGING, AS PROVIDED. - AVOID DIRECT EXPOSURE TO SUNLIGHT AND INTENSE HEAT.

Incompatible Materials:

NOT DETERMINED

8 - EXPOSURE CONTROL AND PERSONAL PROTECTION

Eye Protection:

- Avoid eye contact. - Use safety glasses with side protection.

Hand Protection:

- Synthetic rubber gloves are recommended. - If skin contact occurs, wash with soap and water.

Skin Protection:

- Avoid prolonged skin contact.

Respiratory Protection:

- Under normal conditions, exposure to contaminants dispersed in the air is not expected to be relevant enough to require respiratory protection.

Prevention against the risk of accidental ingestion:

- Avoid ingestion.

Recommended Ventilation:

- Not applicable.

9 - PHYSICAL AND CHEMICAL PROPERTIES

Physical State, Color, and Odor: CLEAR LIQUID WITH CHARACTERISTIC ODOR

Relative Density: 0.88

PH: Not applicable

Viscosity 20°C: 8.0 CPS

Operating Temperature: -50°C to +145°C

10 - STABILITY AND REACTIVITY

Hazardous Decomposition Products:

- Carbon Monoxide. - Carbon dioxide.

Stability and Reactivity:

- No dangerous polymerization will occur. - Stable at room temperature.

11 - TOXICOLOGICAL INFORMATION

Effects of Eye Contact:

- Moderate eye irritation (redness, tearing, and blurred vision)

Effects of Skin Contact:

- Mild irritation may occur in individuals with cutaneous hypersensitivity.

Effects of Inhalation:

- May cause respiratory irritation in individuals with high sensitivity.

Effects of Ingestion:

- Irritation of Gastrointestinal Tissues (abdominal pain, vomiting, nausea, and diarrhea)

- 12 - ECOLOGICAL INFORMATION

Eco-toxicity Data:

- Not determined

Other Eco-toxicity Information:

- Not determined.

* Since regulations vary, consult applicable legislation or authorities before disposing of waste.

13 - TREATMENT AND DISPOSAL CONSIDERATIONS**Product as Marketed:**

- Dispose of product waste at an authorized facility to receive chemical waste.

Special Waste Disposal Instructions:

- Since regulations vary, consult applicable legislation or authorities before disposing of waste.

14 - TRANSPORT INFORMATION**Road Transport:**

- Not classified as dangerous for transport.

IMDG Classification (Maritime):

- Not classified as dangerous for transport.

IATA Classification (Air):

- Not classified as dangerous for transport.

The information in this Safety Data Sheet is based on our most current information and best opinion on the use and handling of this product under normal conditions.
