TUN_TUN

Hi, I'm Le Ngoc Anh Tuan, you can call me Tun_Tun.

I have a big passion for UX/UI and 3D design with the target to create visually appealing and user-friendly digital products. I want to blend 3D design with user-centered interfaces to create interactive experiences. I am eager to learn and explore new styles and have experience working with teams to create fantastic digital experiences for users.

Experience

2023 | Vietnamese Fun-eral | Ho Chi Minh

Client: VinA/V | V2X Acedamy and RMIT Vietnam

- _Designed 3D and 2D VJ loops (Am 20 Tac), creating dynamic visuals.
- _Developed concepts through sketching and ideation.
- _Collaborated with V2X, RMIT, and event coordinators for cohesive designs.

2023 | Devout | Ho Chi Minh

Client: Devout Bakery Shop

- _Developed key visual patterns through detailed sketching and concept refinement, enhancing brand identity.
- _Designed logos and formulated comprehensive color guidelines for consistent branding.
- _Produced high-quality branding materials, including stickers, posters, and bakery packaging, adhering to professional standards.

2022 | New Year Envelopes | Ho Chi Minh

Client: Kid Toy Shop

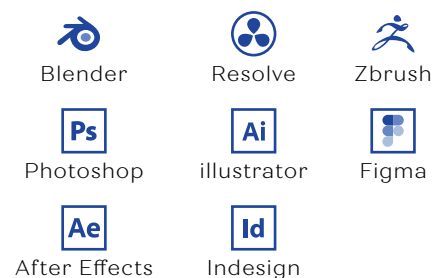

- _Conceptualized pattern ideas for key visuals, ensuring alignment with brand identity.
- _Designed logos and established comprehensive color guidelines to maintain consistency and enhance visual recognition across all brand materials.
- _Applied visual elements to envelopes, creating a cohesive and polished look that reflects the brand's overall aesthetic and values.

2022 | Suni Thank You Card | Ho Chi Minh

Client: Suni Store | Stationery store on Shopee

- _Sketching sessions for mascot design, aligning with brand identity and values.
- _Created color guidelines to ensure visual consistency across brand materials.
- _Designed and produced thank you cards, reinforcing brand identity with cohesive visual elements.
