KREA PRIME

The Krea Prime marks a pinnacle of design and technology. This machine isn't just about making coffee; it's about creating a sophisticated coffee experience. The sleek and stylish Krea Prime combines a visually stunning design with high performance to make it the cornerstone of any coffee service.

MACHINE FEATURES

SOPHISTICATED DESIGN

The Krea Prime is characterized by its appealing design featuring custom lighting, chrome frames, and shiny black surfaces, presenting not just a coffee machine but a style statement.

INTUITIVE INTERACTION

Equipped with a backlit capacitive keypad and a vivid 4.3-inch display, the Krea Prime makes choosing your coffee a delightfully easy and intuitive experience.

STATE-OF-THE-ART ELECTRONICS

Advanced electronics allow for easy customization of recipes and straightforward programming, offering both flexibility and control to meet all user preferences.

ENHANCED CAPACITY AND VERSATILITY

The machine comes with multiple canisters accommodating up to 1.2 kg of coffee beans, 0.8 kg of instant coffee, 0.7 kg of milk, and up to 1.5 kg of chocolate, ensuring a variety of drink options.

BEST FOR INDUSTRIES IN

OFFICE ENVIRONMENTS

Enhance the office environment with a coffee machine that doubles as a piece of modern art.

WAITING AREAS

Provide customers with high-quality coffee, ensuring they want to come back for more.

WHY CHOOSE THIS MACHINE?

USER-FRIENDLY

Features like the tiltable metal cup support for espresso cups and easy-to-clean stainless steel delivery area ensure that the machine is not only beautiful but also practical and user-friendly.

CUSTOMISABLE SETTINGS

The ability to upload recipes and images via a USB port allows for a highly personalized service, making every coffee serving unique.

ADVANCED TECHNOLOGY

Self-adjusting grinders and customizable drink settings ensure that every cup is crafted to perfection.
