CUGA

Shooting Script

– Scene 1
Medium shot (MS) at an oblique angle from behind of a young man sitting in the driver's seat of a car.

– Scene 2
Medium long shot (MLS) of the young man standing and looking around with his hands in his pockets, seen through the car window.

– Scene 3
Detail shot from the rearview mirror of a medium shot (MS) of the young man, resting his arms on the car door while taking a drag from a cigarette.

– Scene 4
Medium shot (MS) of the young man staring into space while exhaling smoke, with his arms resting on the car door, seen through the car window.

– Scene 5
Extreme close-up (ECU) seen through the rearview mirror of the car, of the young man looking around with a blank expression as a tear rolls down his face.

– Scene 6
Extreme long shot (ELS) of the view over the lake. The car maneuvers and drives away from the scene.
