

# Awards

The Awards feature gamifies the Impact Suite experience through a system of points, badges, and ranks. Users earn rewards for their activities, encouraging consistent engagement and celebrating achievements.

This feature fosters a sense of achievement and maintains momentum, motivating users to fully engage with the app's features and make continuous progress towards self-improvement.

Download the Impact Suite app and earn life changing Awards.

## Ways to use Awards

Set achievable goals in different lifestyle categories.

Regularly update and review your goals.

Celebrate milestones and adjust goals to keep them relevant.
