BI SUMMER SCHOOL PRESENTATION 2024

Ujjvala Radhe Devi Dasi (Dr. Uma Pallavi Pothu)

Research at AIIMS Rishikesh, India

The holy name of Krishna is so attractive that anyone who chants it-including all living entities, moving and unmoving and even Lord Krishna Himself-becomes imbued with love of Krishna. This is the effect of chanting the Hare Krishna mantra.

Spiritual Intelligence and Decision Making

Current research work at IIT Mandi

- Spiritual intelligence has a significant role in the quality of decision making process (George, 2006)
- SQ is an inevitable factor in decision-making process. It facilitates problem solving and goal attainment (Sisk, 2002; Wolman, 2001).
- Spiritual intelligence implies an adaptive and problem-solving capacity. (Savo Stupar, Dec 2013)

Workplace spirituality

- has a significant impact on work attitudes like organizational performance, job involvement, job commitment, and job satisfaction
- Associated with self-interest transcendence
