- myCourses is updated daily by the information on SIS. The active semester is updated at 5 A.M., 11 A.M. and 5 P.M.
- CLOSED courses are still fully accessible at RIT. All participants retain the same access and use of courses that are listed as CLOSED.
- INACTIVE courses are not listed for Students, and are only accessible by Staff roles on the Classlist.

Announcements

myCourses notification method changes effective July 19, 2024

Ken Kindler (CTL Staff) posted on Apr 15, 2024 9:00 AM • Edited

On July 19, 2024, SMS and custom email address contact methods will no longer be available for myCourses notifications. You will still be able to send myCourses notifications to your system (RIT) email address or to receive push notifications in the Pulse app.

What will happen to my notifications when this change is made?

SMS

- If you have configured your myCourses settings to send SMS notifications, you will no longer receive SMS notifications. Your mobile number and

Academic Integrity

As an institution of higher learning, RIT expects students to behave honestly and ethically at all times. Especially when submitting work for evaluation in conjunction with any course or degree requirement. All students are encouraged to become familiar with RIT's [Academic Integrity Policy](#), [Honor Code](#), and [Student Conduct Policy](#).

Technical Support

What will happen?

- SMS**
- If you have configured your myCourses settings to send SMS notifications, you will no longer receive SMS notifications. Your mobile number and associated information will be deleted from the notification settings in myCourses. If you want to continue receiving notifications, you need to [configure your settings for system email address notifications](#) or [configure push notifications in the Pulse app](#).
- Email Address**
- If you have configured your myCourses settings to send email notifications to a custom email, your custom email address will be automatically replaced with your system email address. Any previously configured notifications will now go to your system email address. You can review and adjust which items you are notified about in your [myCourses notification settings](#).
 - If you have configured your myCourses settings to send email notifications to your system email.
