Packaging	4kg retail-ready cartons; bulk bins for processing-grade fruit
Certifications	GlobalGAP, Organic, Rainforest Alliance
Typical Export Markets	EU (Netherlands hub, France, UK), Middle East, China

OVERVIEW

Kenya is Africa's largest exporter of Hass avocado, and the category has grown quickly enough that the government now actively manages the export calendar — the Agriculture and Food Authority (AFA) sets export windows specifically to prevent immature, low-dry-matter fruit from shipping early.

Pricing is available on request and confirmed against current availability and order quantity. Request a quote for this product at riftsoil.com.
