

# Caracol Table Lamp

COLLECTION / EDITION

CARACOL COLLECTION

## ABOUT

Named for its snail-inspired form, the Caracol Table Lamp is hand-carved from solid hardwood. Texture created from the carving process overlaps the timber's grain, resulting in an 'etched' effect throughout.

Its white linen/silk lampshade is paired with unlacquered brass that will patina with use. Shade included.

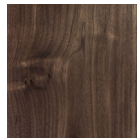

## CERTIFICATIONS

CE certification (UK / EU)  
UL certification (US / CA)
